moments of meditation

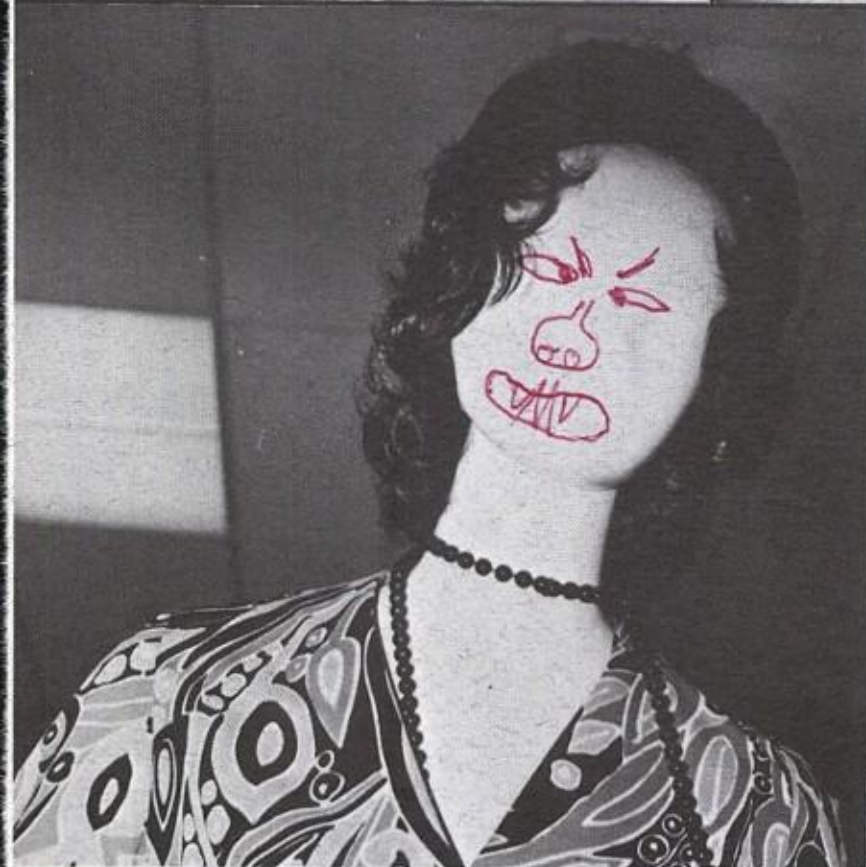

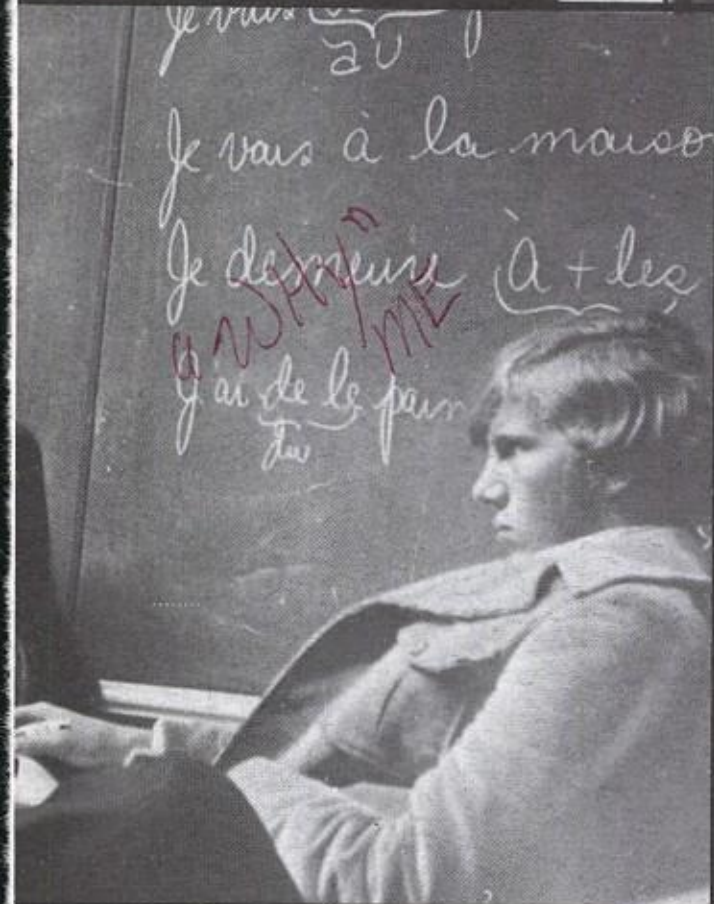

people meditate at times
by themselves, to bring out the thoughts
that are stored deeply in their minds . . .

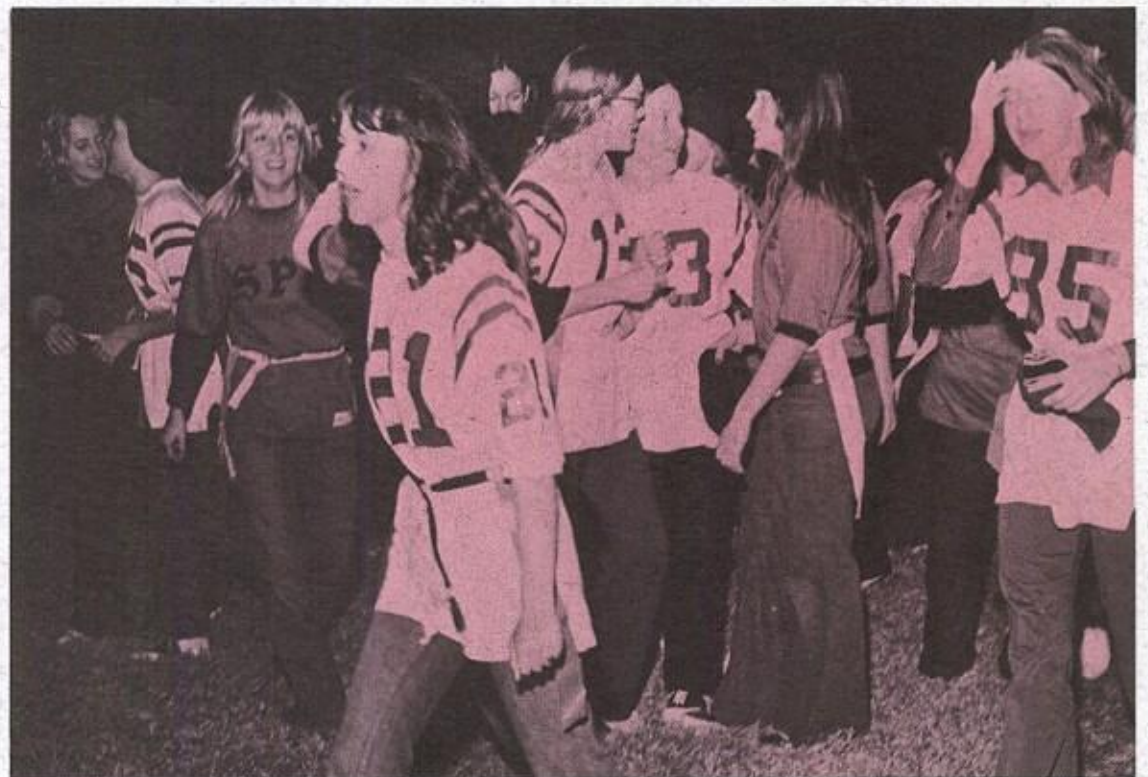

individuals are different in many ways other than looks. their efforts and achievements are appreciated by others. this makes life worth living.

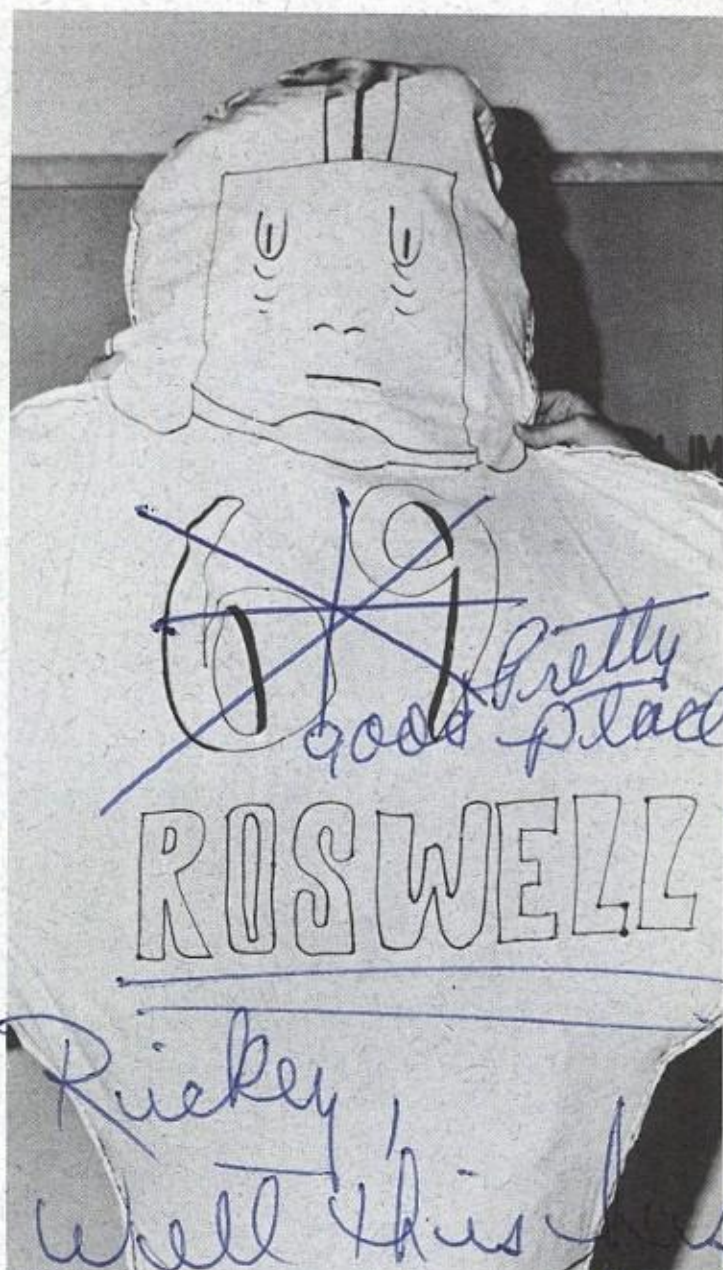

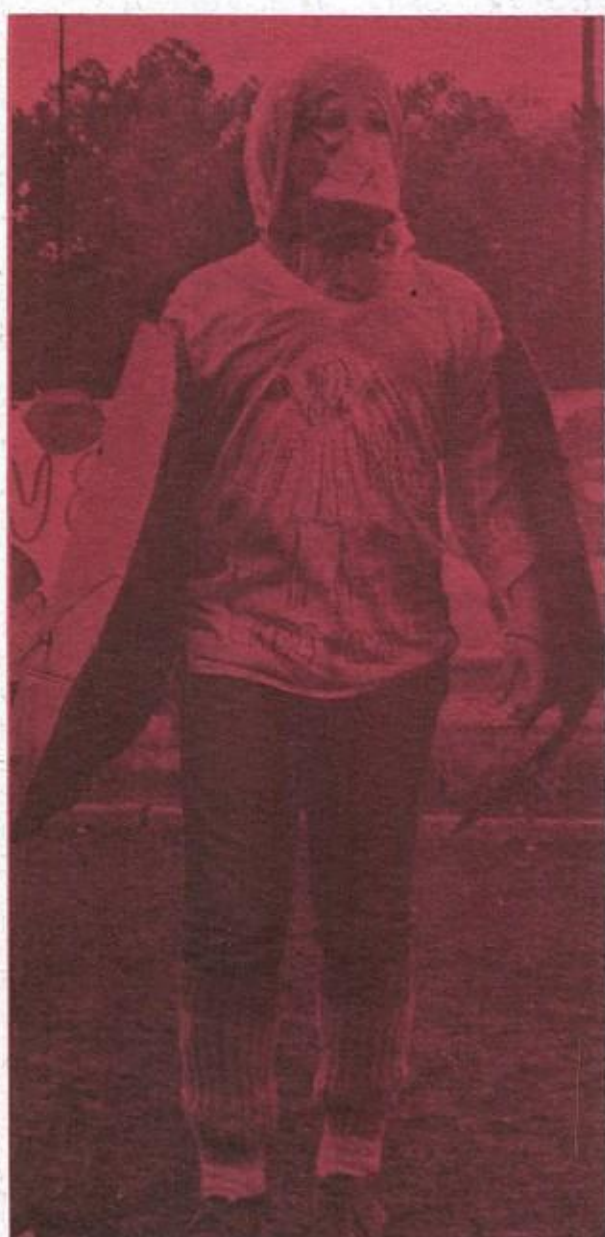

groups mean togetherness. people come together to work toward a common goal.

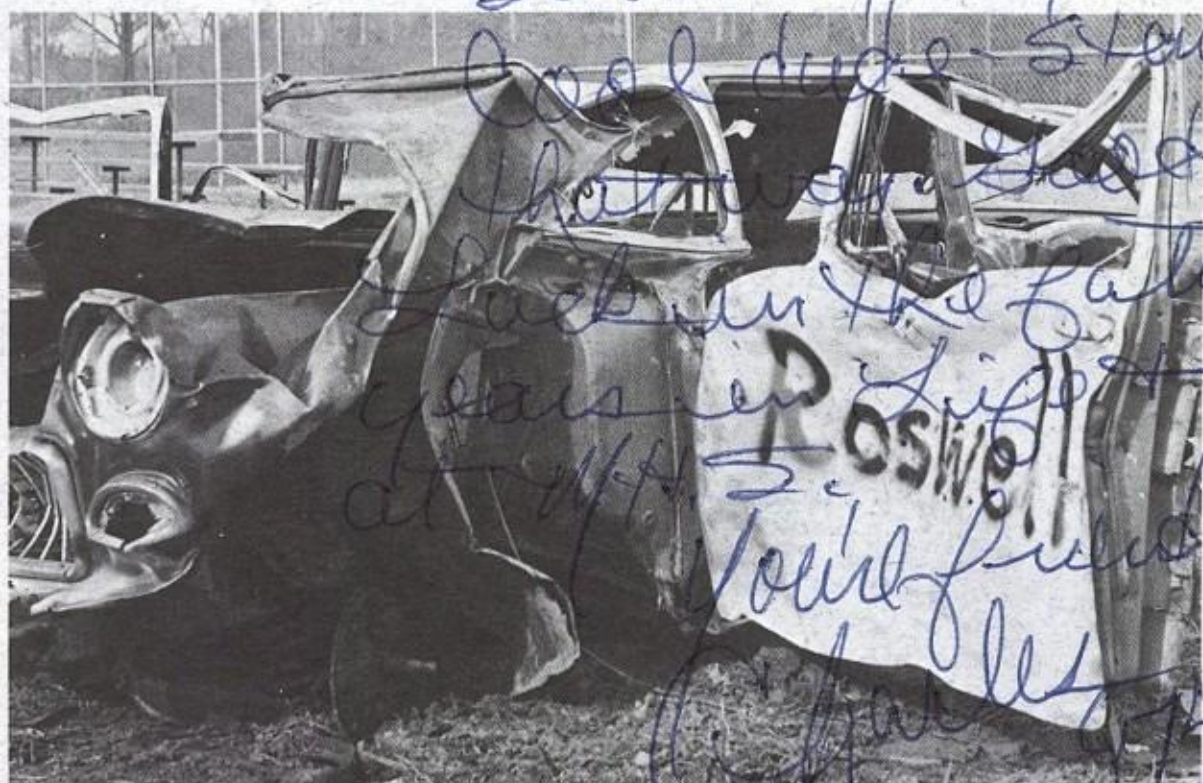

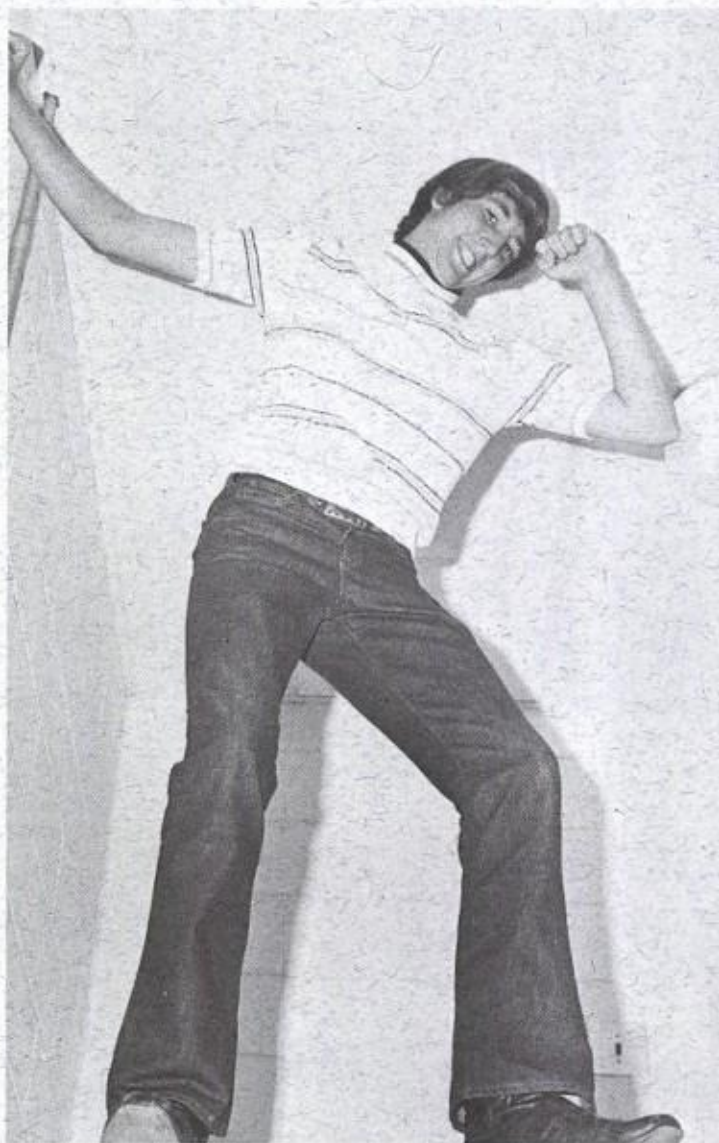

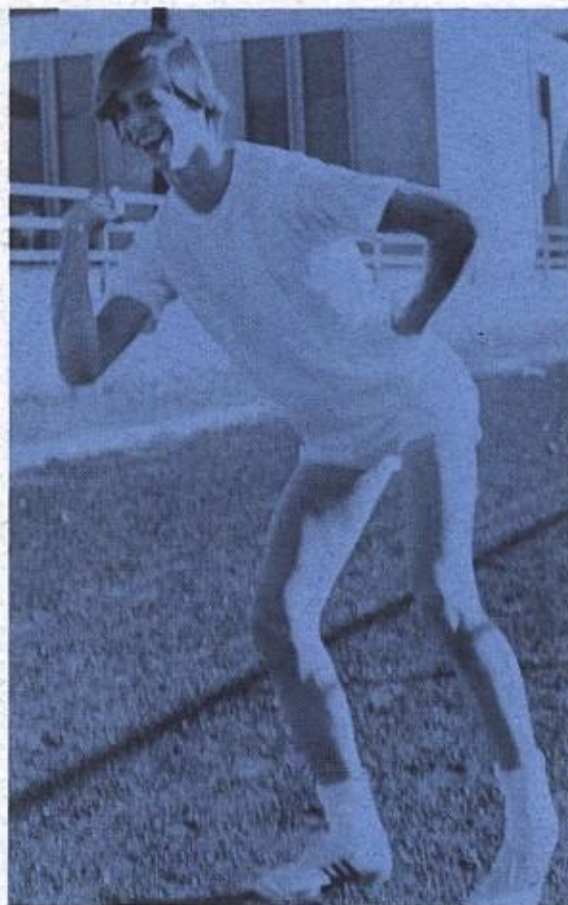

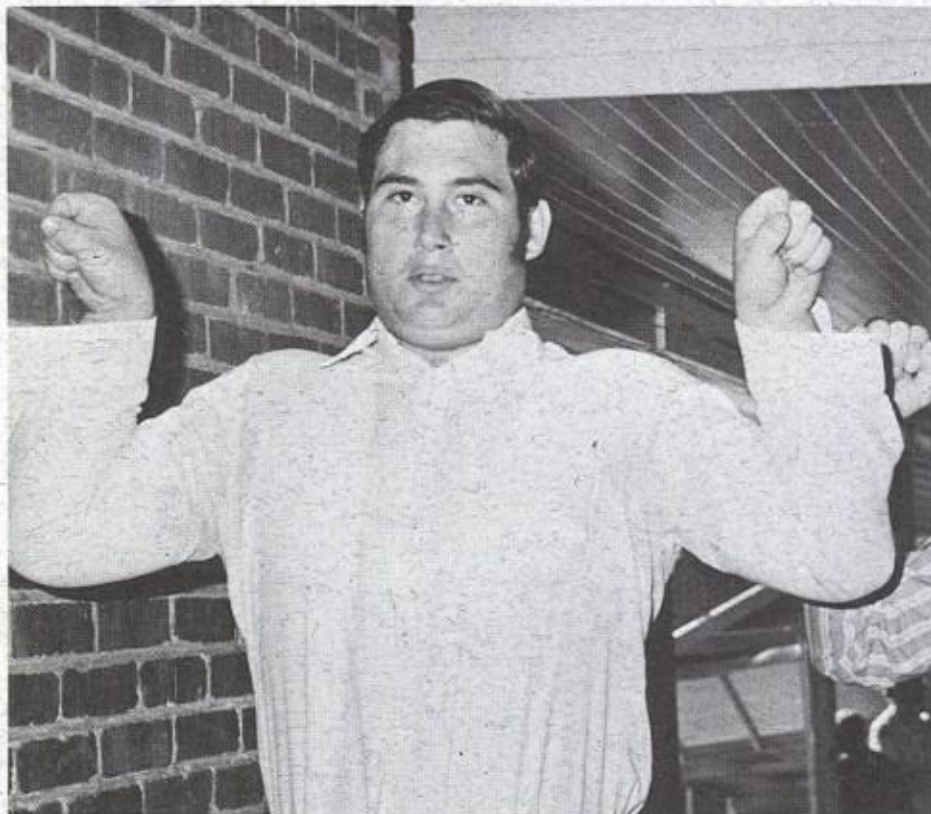

been some "hell"

a week was set aside to build school spirit for the Roswell game. it wasn't too hard for everyone to get mentally ready. students showed their feelings toward Roswell.

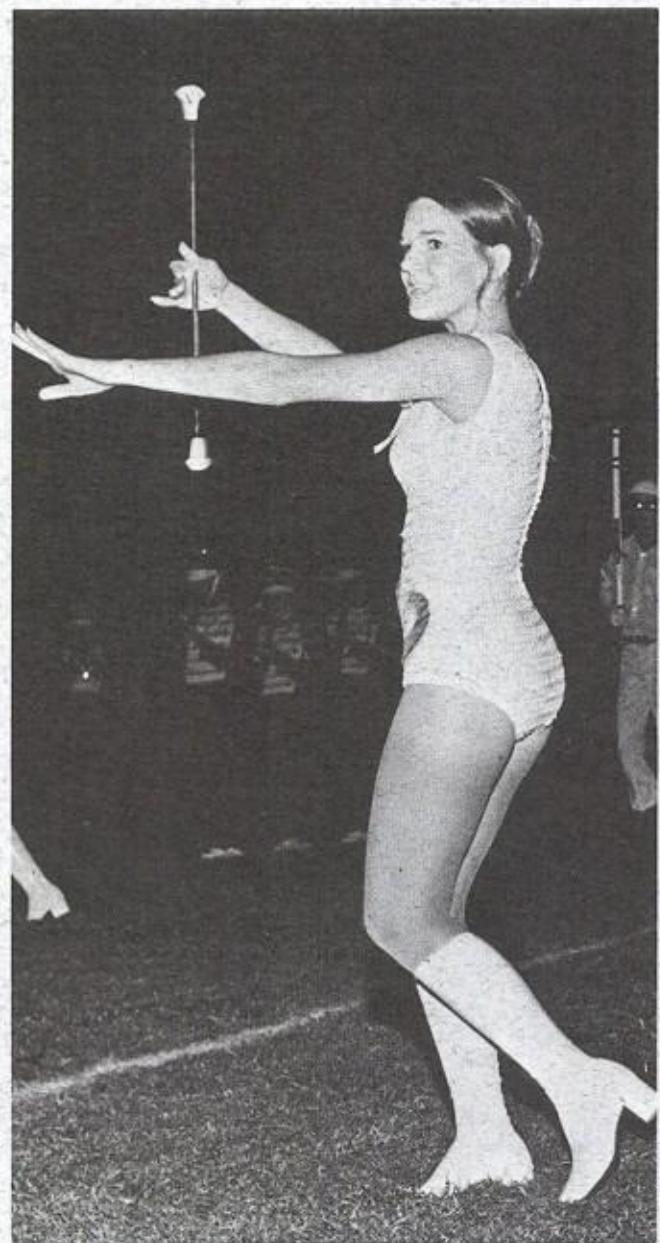

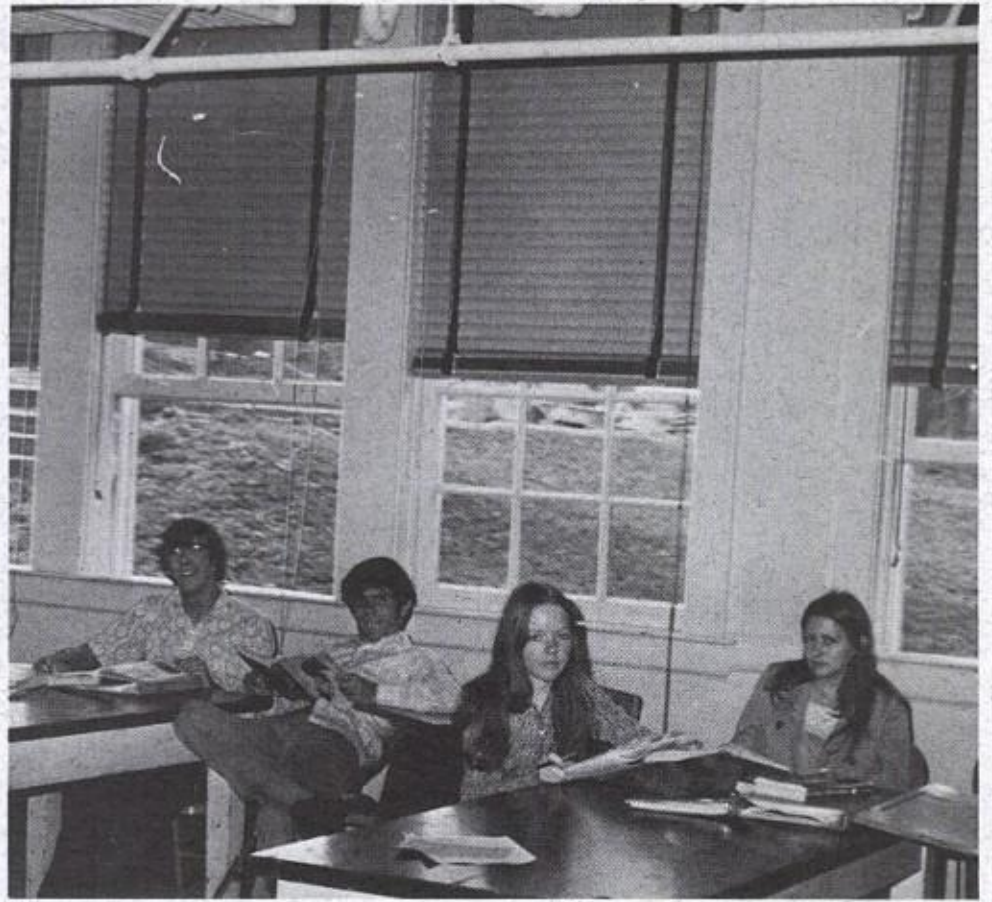

as we go
through school,
the years change
us. we begin as girls
and boys, later becoming
men and women as we strive
to obtain our goals. each tries
to overpower the other without either
being the victor. individually, who
possesses the quality of being most powerful?

there is a time and place for
everything. people find the time
and place for work and play.
these activities bring people together.

on september 1, 1972 the milton eagles gridiron gang stepped onto the field with vivid memories of the unsuccessful season past. the opponent for this matchup was the cougars of m.d. collins. the eagles were able to roll up 27 points with a surprising passing attack. the defense was able to hold the cougars to 20 points giving the eagles their first victory in many starts.

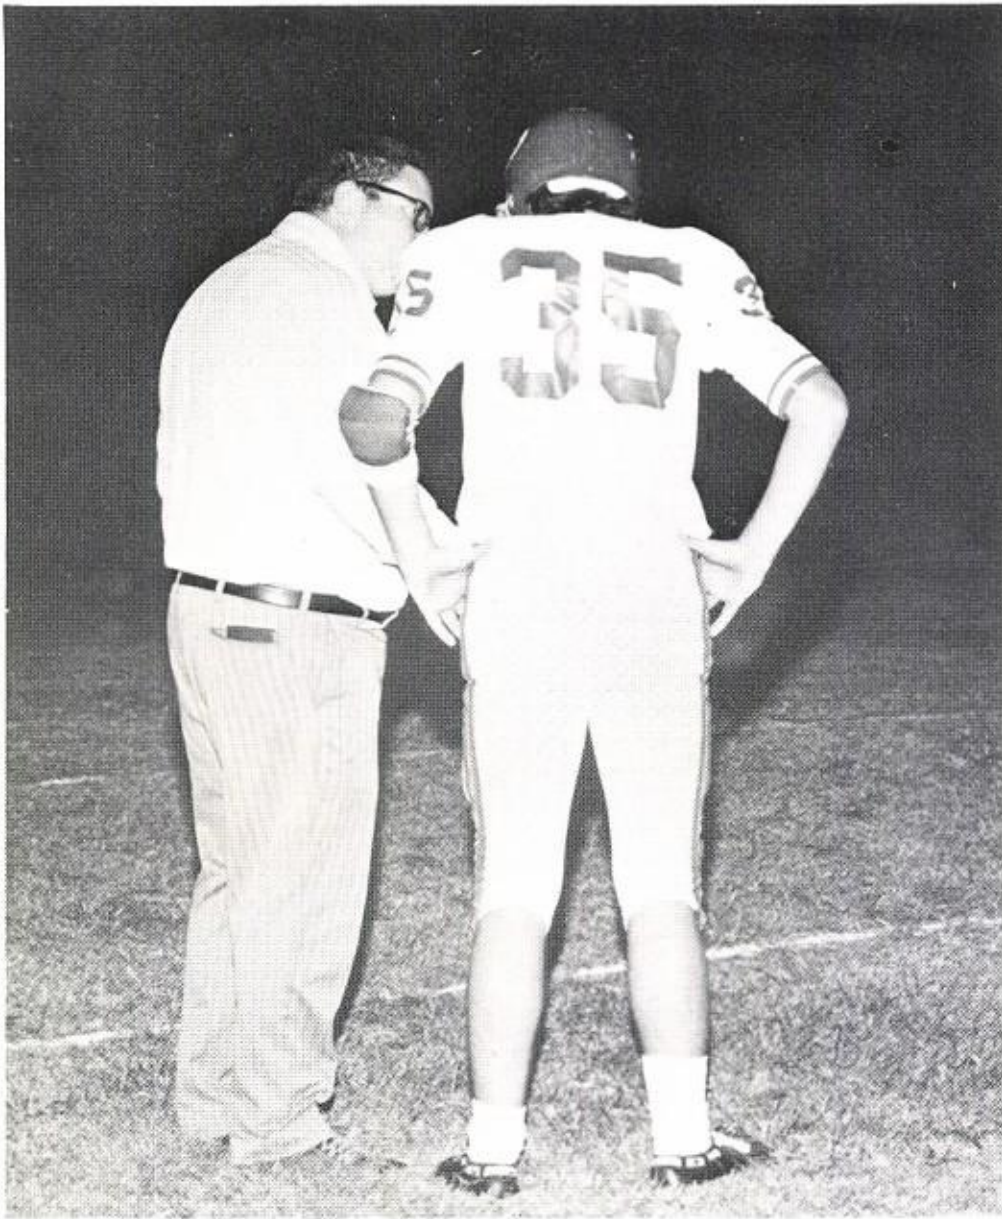

the eagles traveled to briarwood to play their first road game on september 15. the eagles took the early lead and held on to it until the second half. defense errors took their toll late in the game, and the eagles lost a heart breaker 17 to 7.

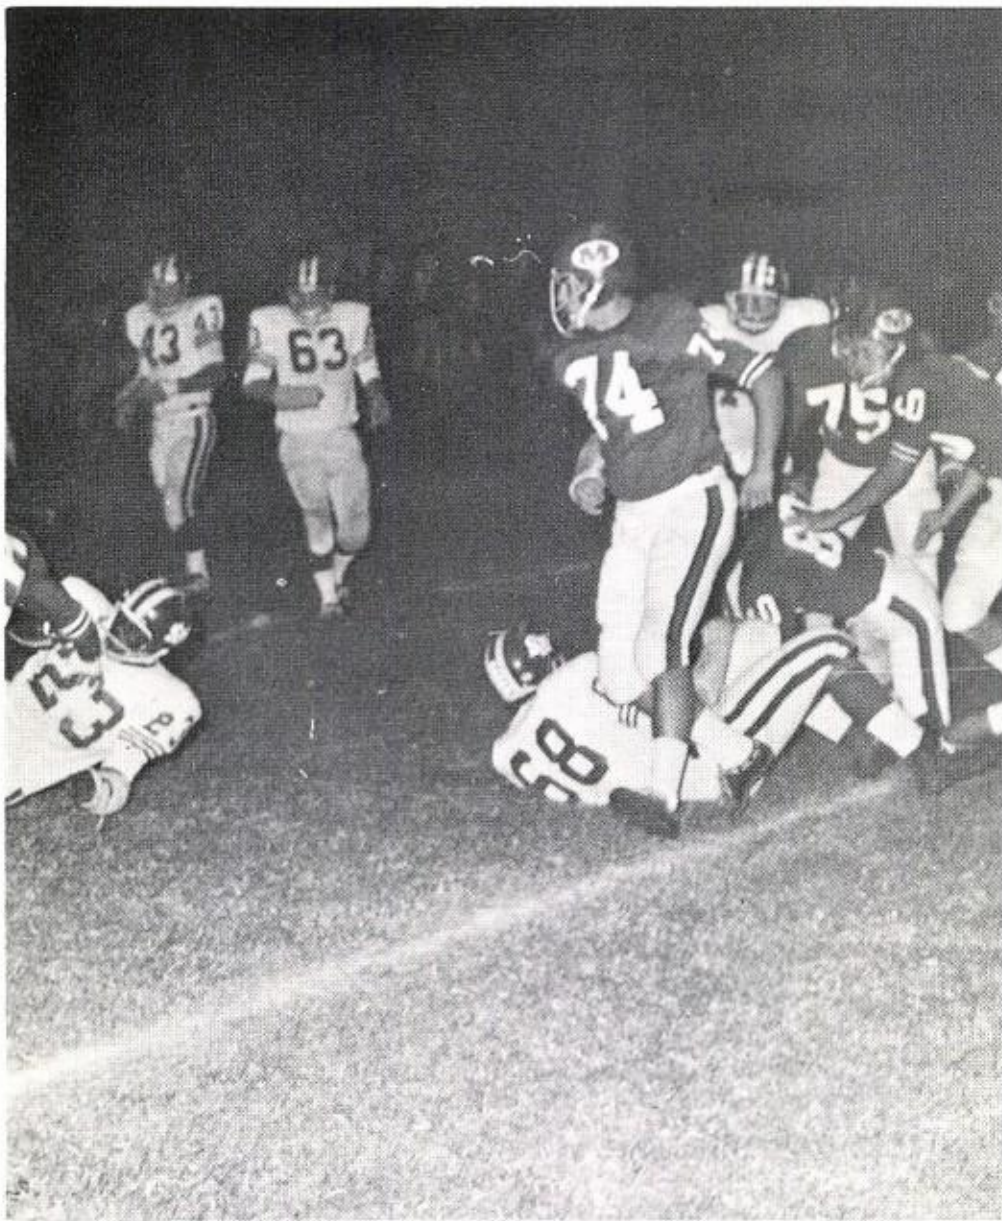

on september 8, milton met the lakeshore lancers. the lancers seemed to be unable to make a mistake while the eagles were plagued with turnovers. the eagles gave it all they could but just couldn't get it together — losing 35 to 6.

on september 22, the number one team in class a, saint pius, came to bang heads with the eagles. the depth of the saint pius team along with their football knowledge and skill proved too much for the eagles as they fell victims to the lions — 35 to 0.

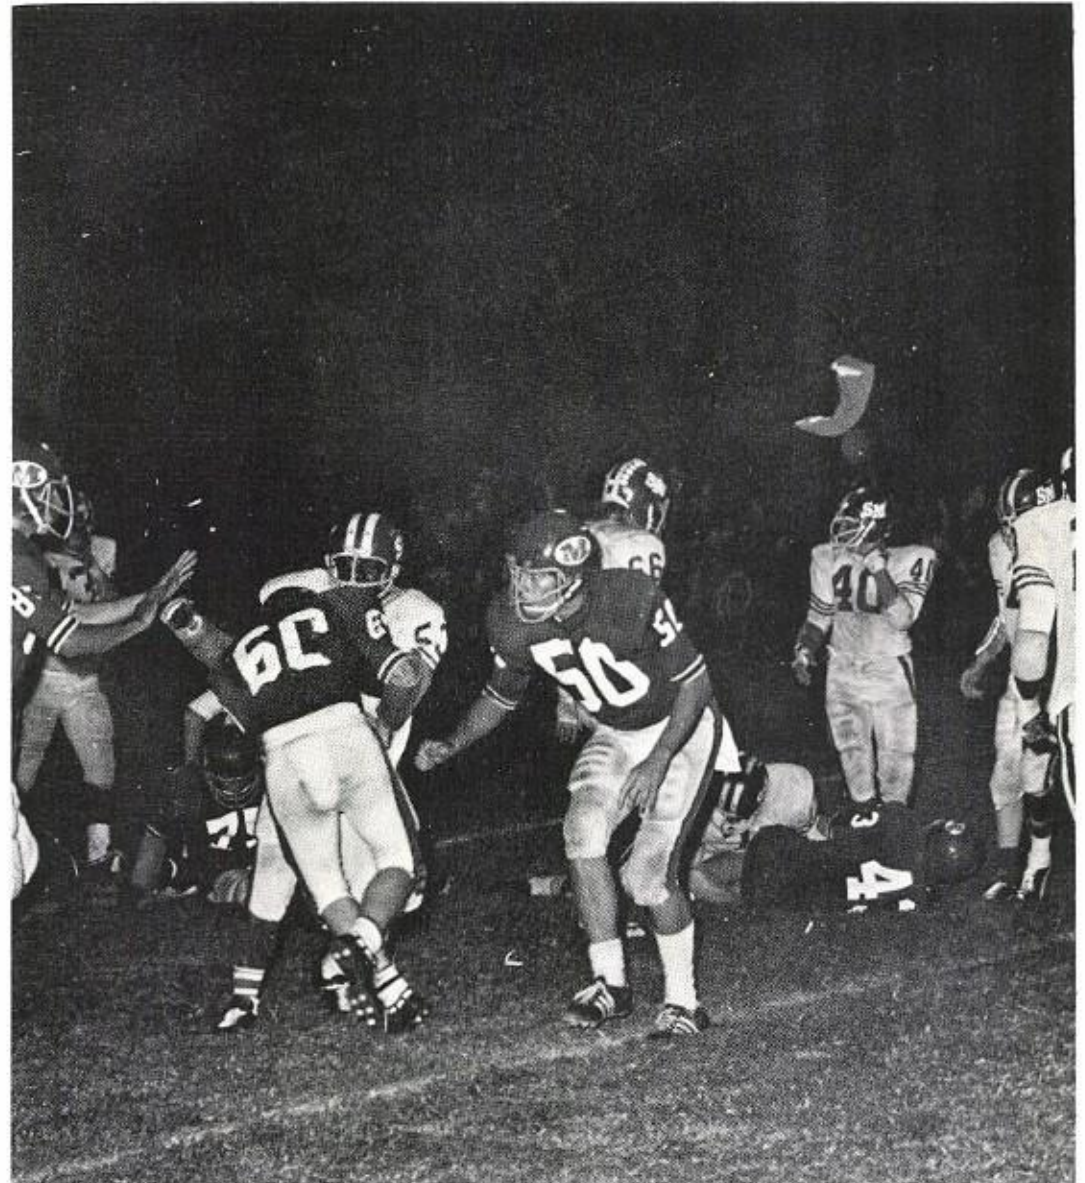

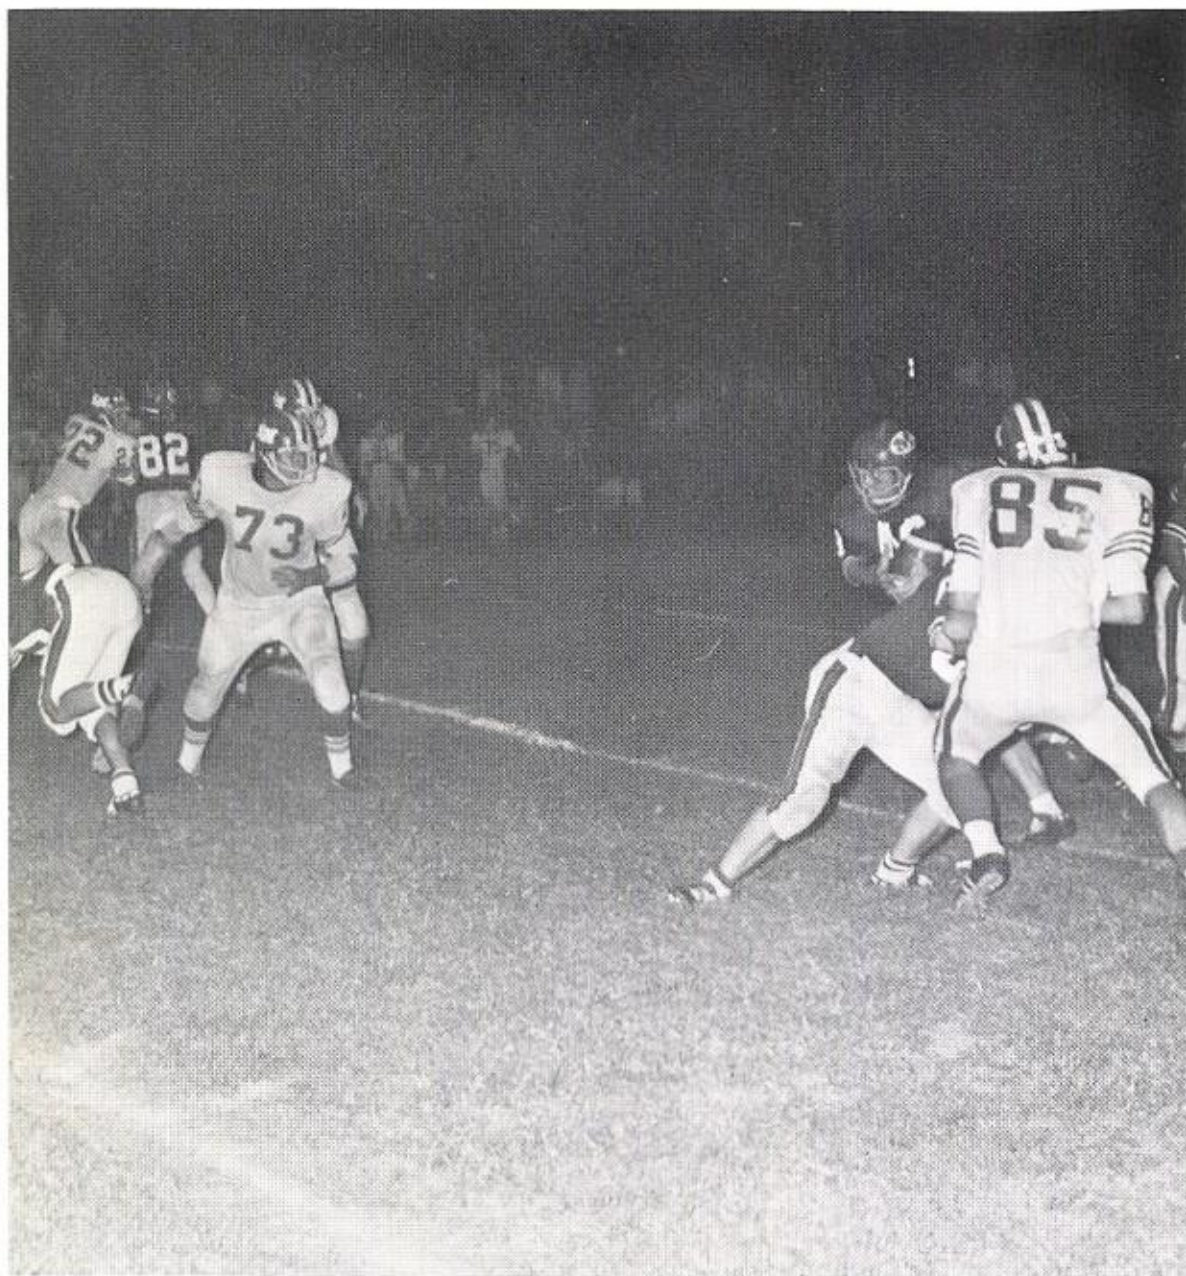

*To a guy who all-
ways screwed up*

*Junior
Day*

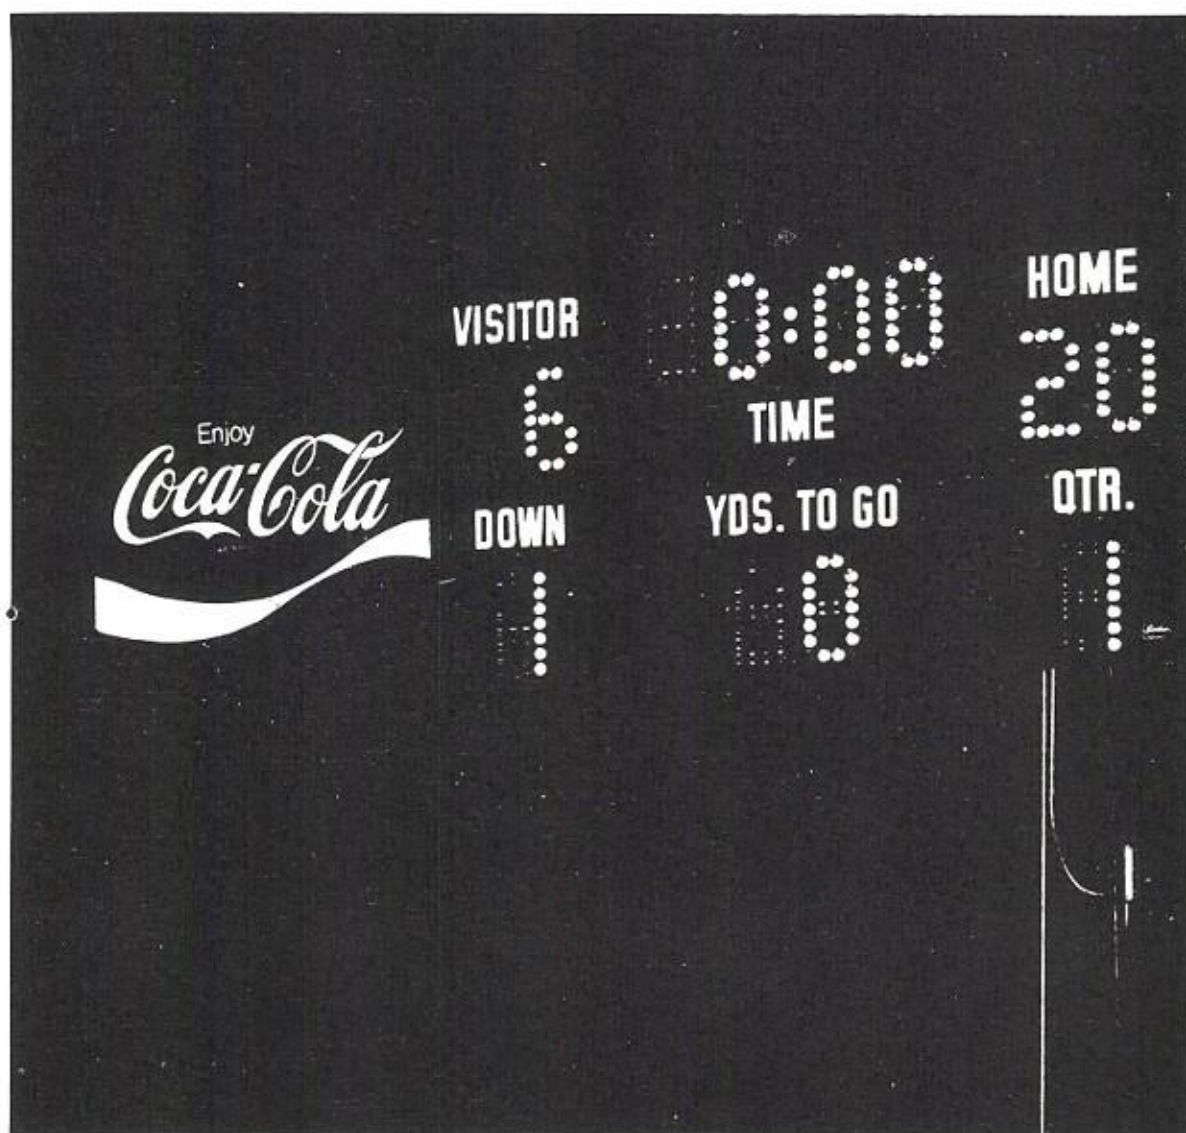

on september 29 the eagles traveled to panthersville stadium to do battle with the lithonia bulldogs. the eagles got off to a bad start and fell behind 21 to 0 in the first quarter. the last three quarters saw a hardened milton defense, but the offense just couldn't put the points on the board. the final buzzer sounded with the eagles on the bottom 21 to 0.

on october 6 the eagles journeyed to sandy springs to meet the challenge of the sandy springs panthers. the eagles jumped off to an early 6 to 0 lead and held on to go into the half leading by six. in the second half the eagles saw an aroused sandy springs team score three times while holding the eagles scoreless. the eagles had victory in sight but couldn't hold on, losing 21 to 6.

next on the schedule was stone mountain and homecoming. the eagles put it all together with the offense rushing for 250 yards. the pirates held milton to 6 points during the first half. the high-gearred offense visited the land of seven points twice in the third quarter. stone mountain scored on a blocked punt. the eagle defense played hard nosed football and turned in a shut out. the final score was milton 20 and stone mountain 6.

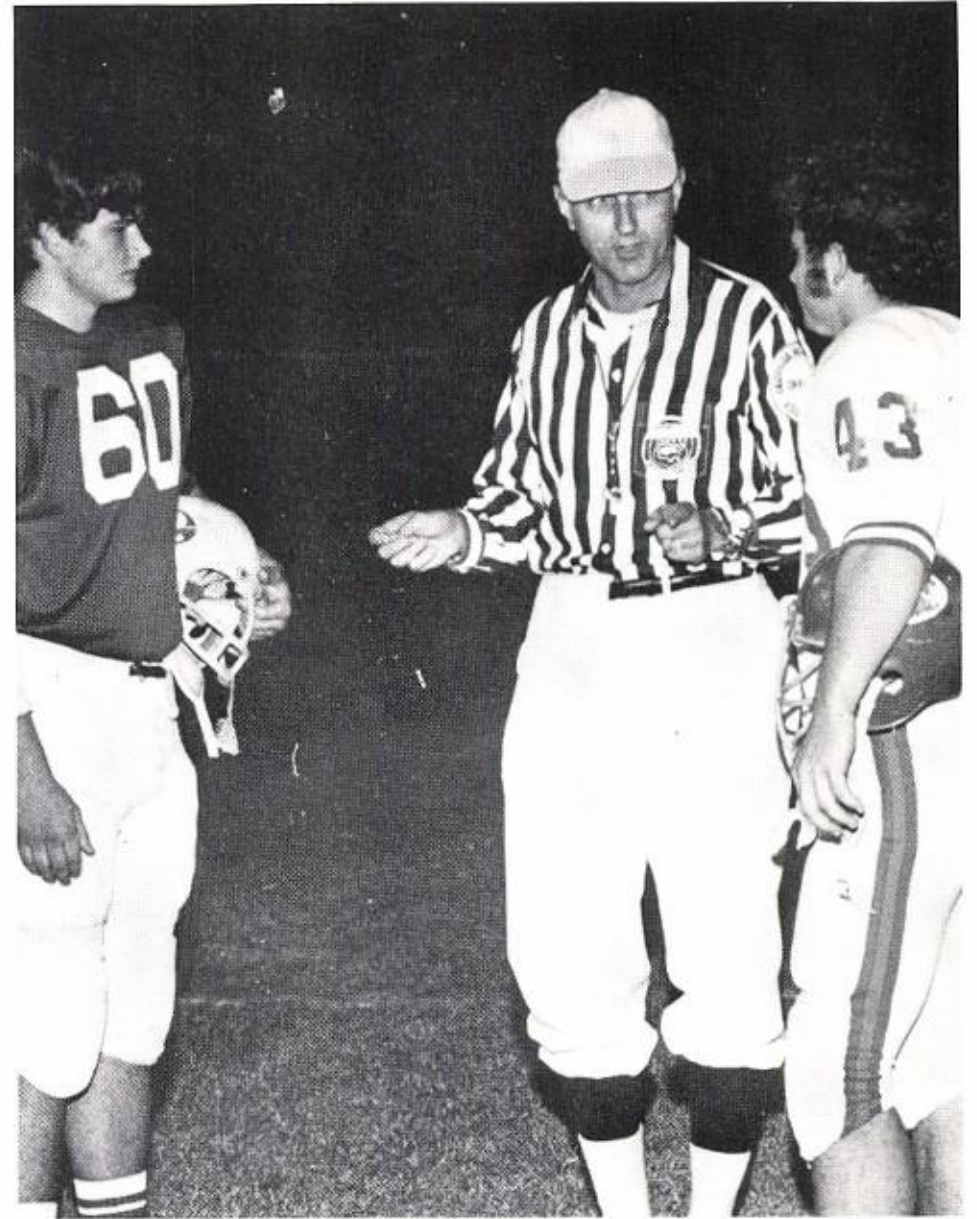

in sub-freezing weather the eagles traveled to lovett to face the lions. the eagles matched the lions on the field and on the scoreboard during the first half. in the second half the eagles didn't fare quite as well, losing by the score of 14 to 7.

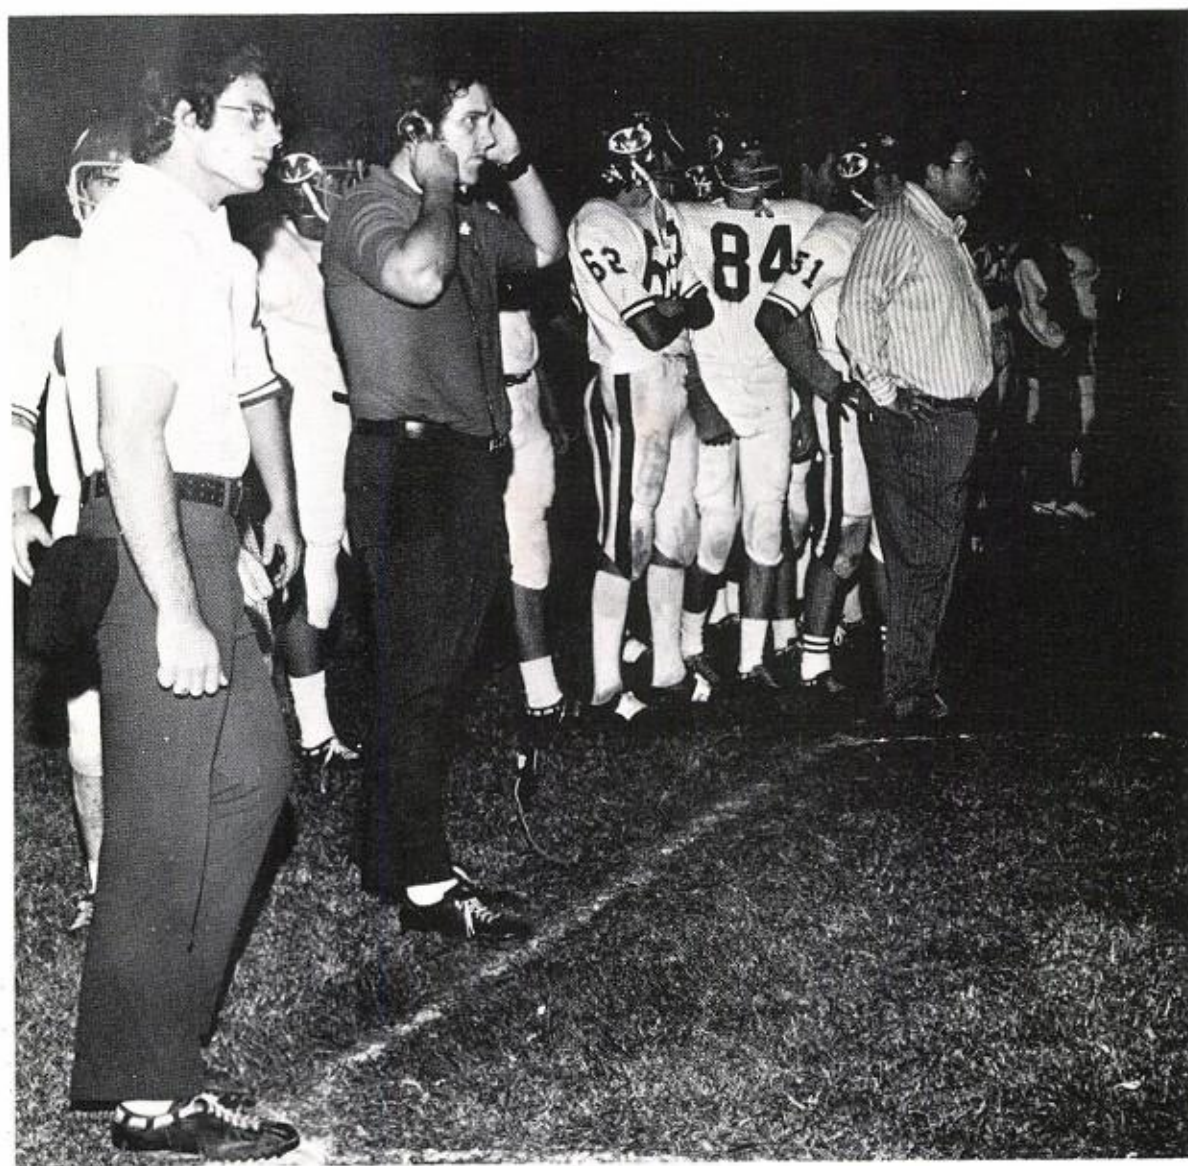

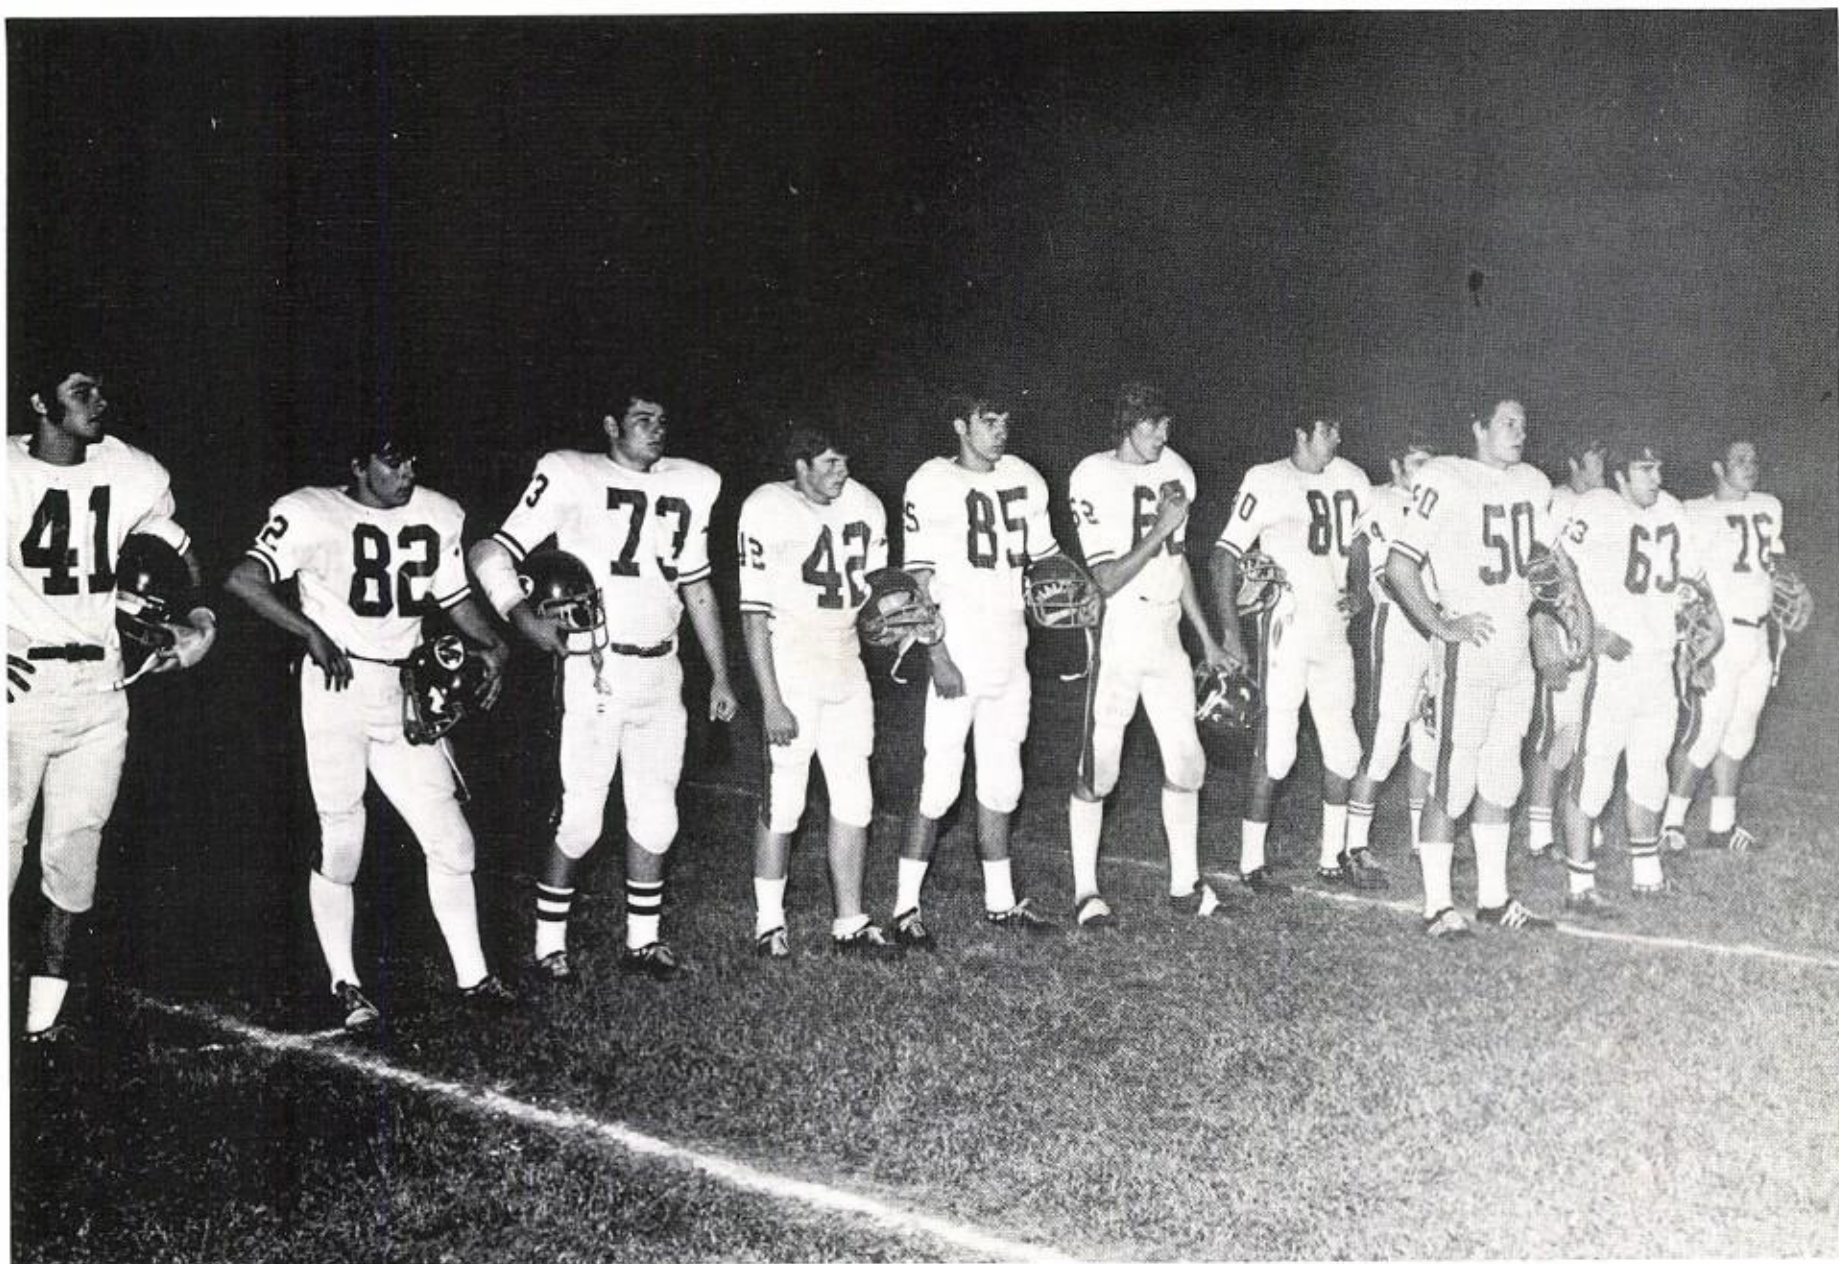

duluth was milton's next opponent. the wildcats sloshed on the scoreboard early and were never to be headed. the muddy conditions along with duluth's defense prevented the eagles from sustaining a scoring drive. the final score proved fatal — duluth 28 to milton's 0.

the final game of the season was to be a hard hitting contest against our arch rival, roswell. both defenses were unyielding during the first half. third quarter proved to be a ditto of the first half. roswell scored on a field goal and a touchdown in the fourth quarter. this was the last gridiron battle for fourteen seniors. final score — roswell 10, milton o.

this
 past football
 season did not
 turn out as good
 as some thirty odd
 milton players would
 have liked, but
 they loved every game.
 they may not have been
 great athletes, but they
 were out there giving it their all.
 the records do not show it;
 but in the hearts of the players,
 the cheerleaders, and the sincere
 followers of the team, everyone
 knew milton high school
 had a good football team.
 it took character for these
 young men to take defeat the
 way they did; but if you were
 there on friday nights, you would
 have known the ways of these
 players at milton high school.

the varsity boys played a fast moving, exciting brand of basketball. they were led by sharpshooters danny payne and dennis johnson. as a whole the team was very young, making the future look very bright indeed.

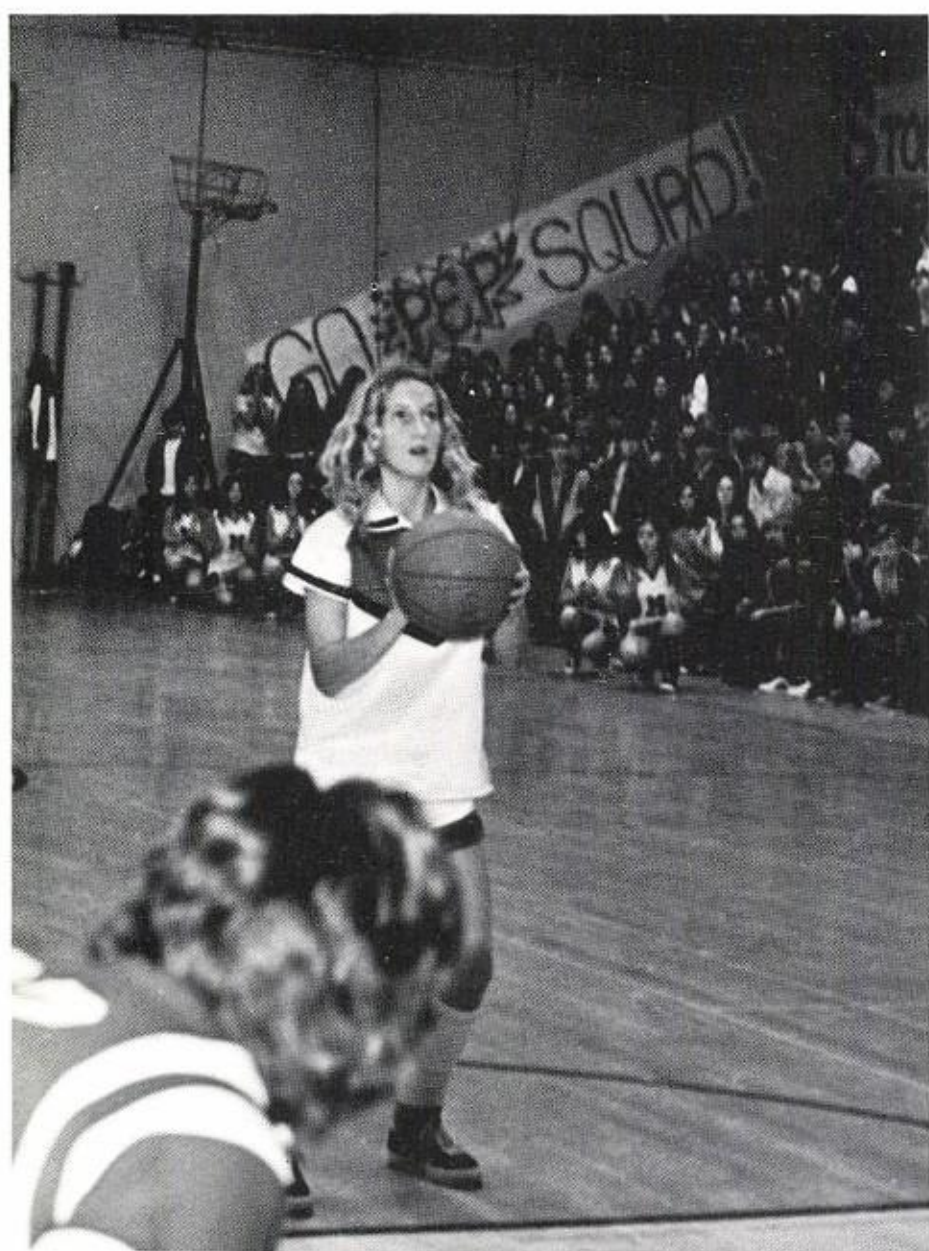

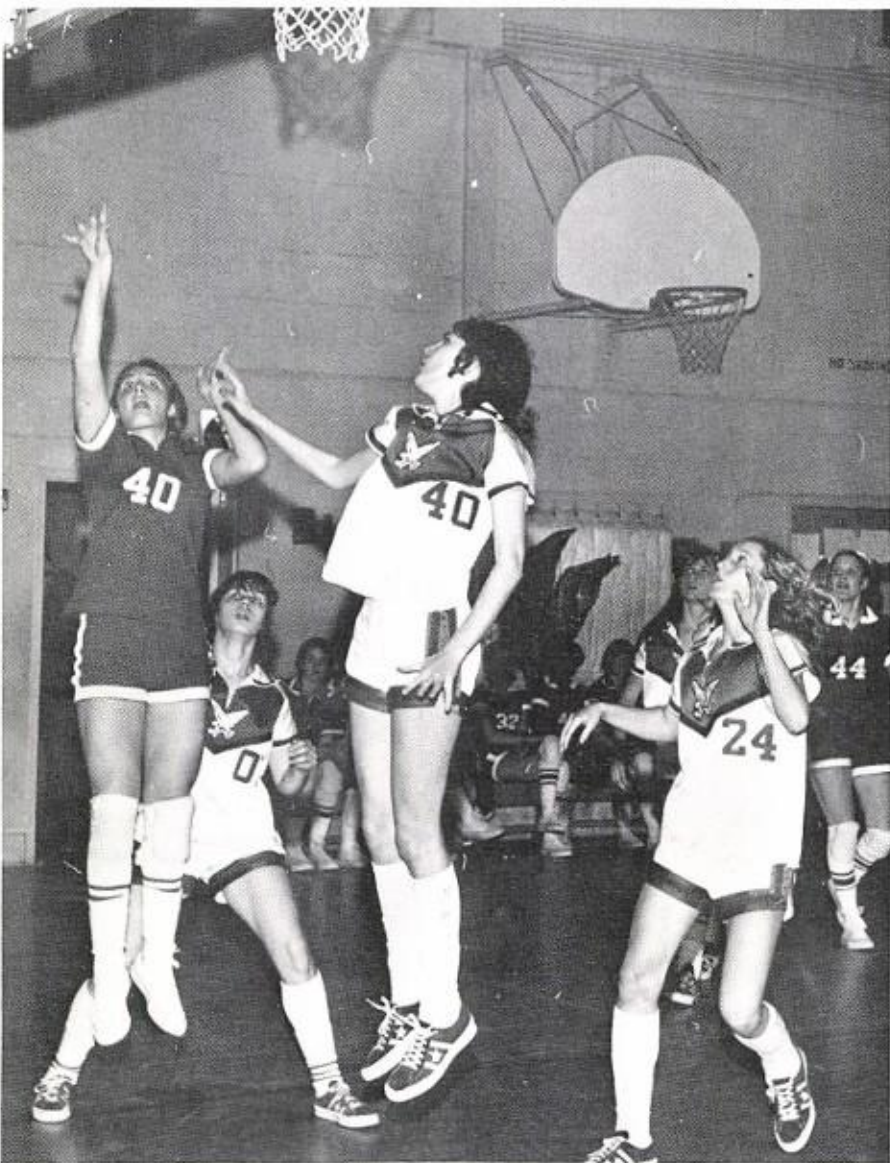

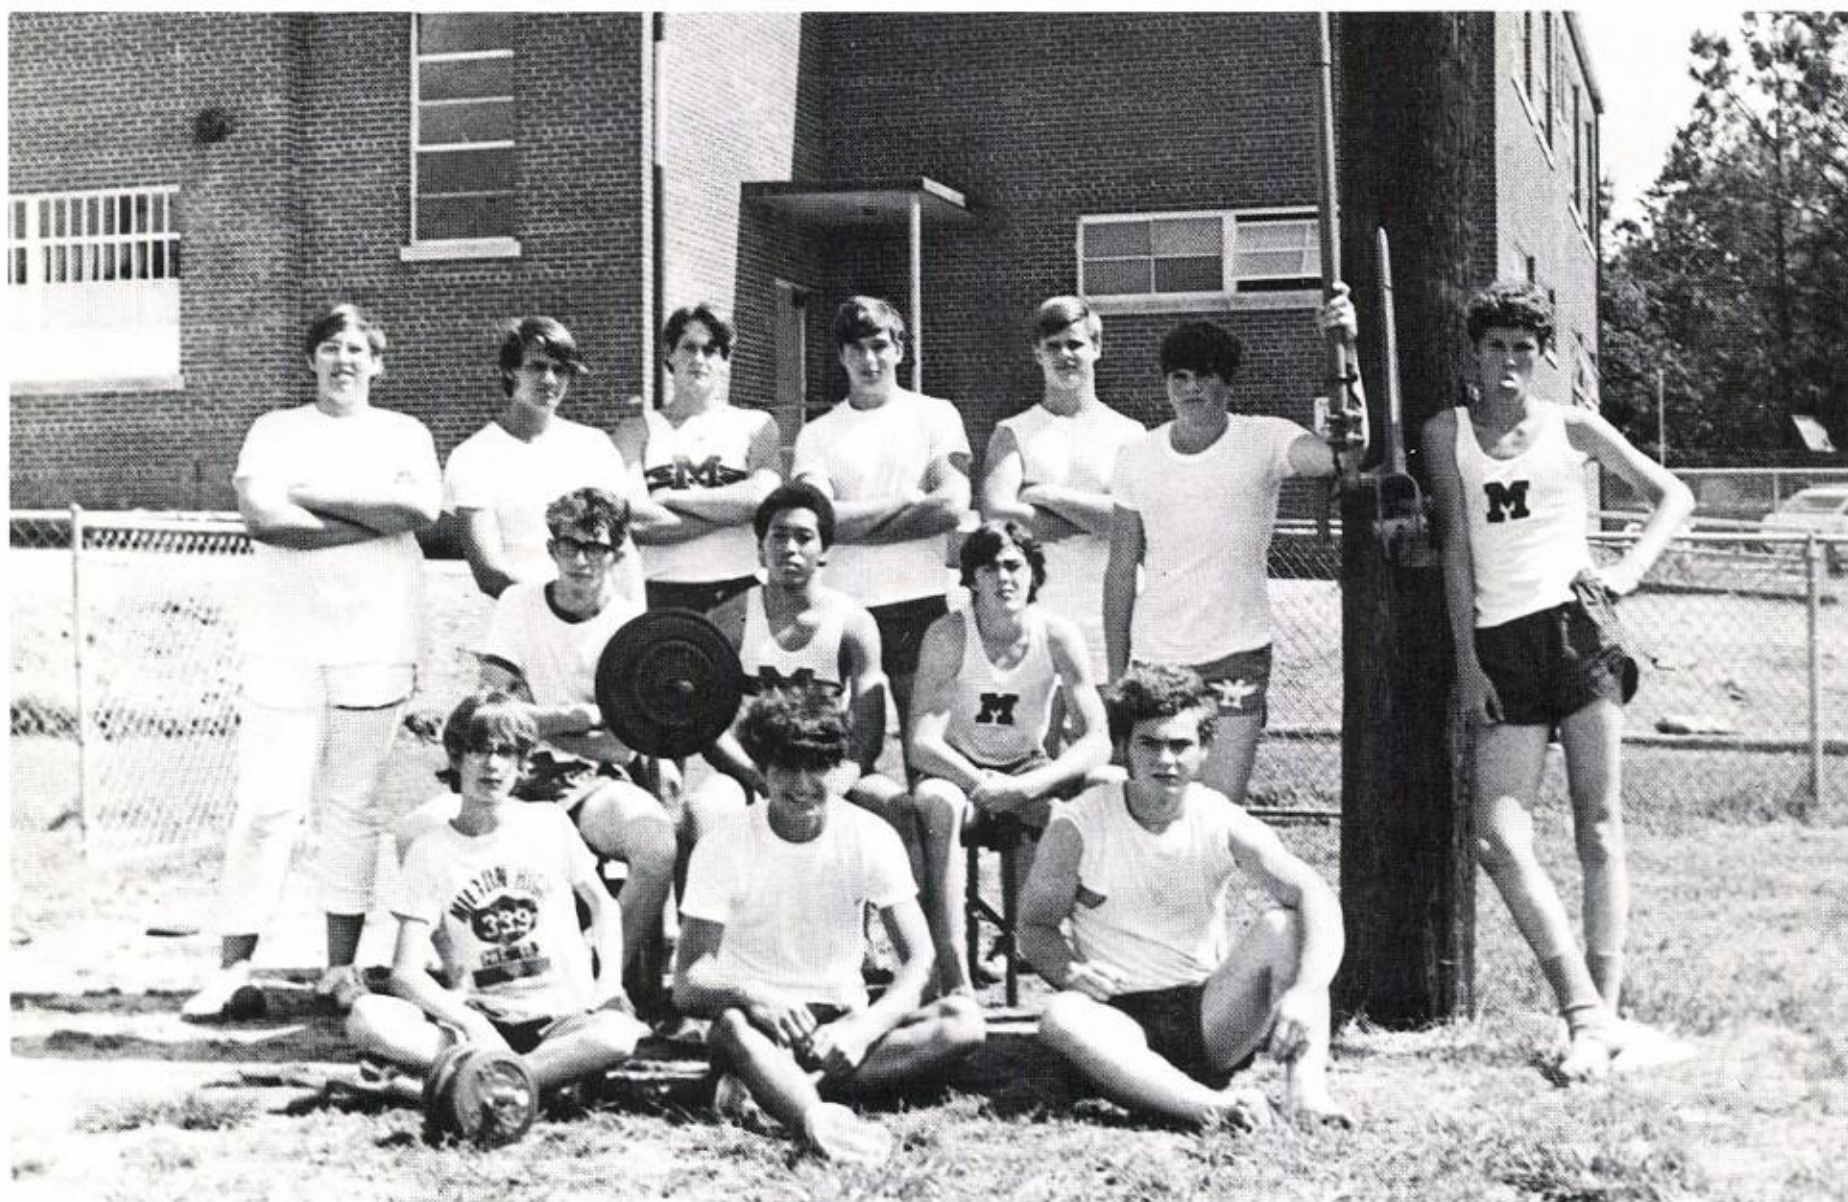

the varsity girls
were an unusual team
this year. it seemed as
if they took off like a rocket
and ended the game like a snail,
losing by four or five points. it was
a very disappointing season for the fans,
the coaches, and especially the girls.

the varsity cheerleaders have represented our school well. this past summer they attended cheer-leading camp at mercer university where they worked hard with approximately 200 other girls. the cheerleaders were awarded third place for the squad's performance; they presented a program on "american spirit" to the state american legion meeting. as the year progressed, the tension mounted as football season arrived. the cheerleaders helped to raise school spirit with pep rallies and other activities they sponsored. the excitement of each game revealed their enthusiasm and support for our teams on the grass turf as well as on the hardwood floor. these ten spirited cheerleaders have shown extraordinary spirit along with outstanding character in supporting milton's athletic teams.

this year's cheerleading squad had three senior members. both patty etchison and lynn lott have had three years of experience while selena bagwell has had two. their experience and dedication promoted spirit among the squad and the student body.

a coach's job
is never completed. they work
for the good of the team all year.
the coach is always faced with decisions
— what plays to run; who will start at forward; or
who will pitch the next game.
every coach loves to win; but
above all, they always strive to
maintain an attitude of good sportsmanship. we commend
all of our coaches for the fine jobs they have done.

this was the first year of competitive wrestling at milton. nevertheless, our mat men did a fine job with the capable handling of coach glenn stephens. having a young team this year, milton will lose only three members through graduation. so with a year of experience behind them, our grapplers should be ready to vie for region honors.

1st row — doug mulkey, david foster, gene findley, darryl goodwin, tim goodwin, steve davis, keith brumbelow, alan tucker. 2nd row — phil bennett, jef-

fery freeland, phil gordon, ricky coleman, scott wilkins, derek sentinella, mark mote.

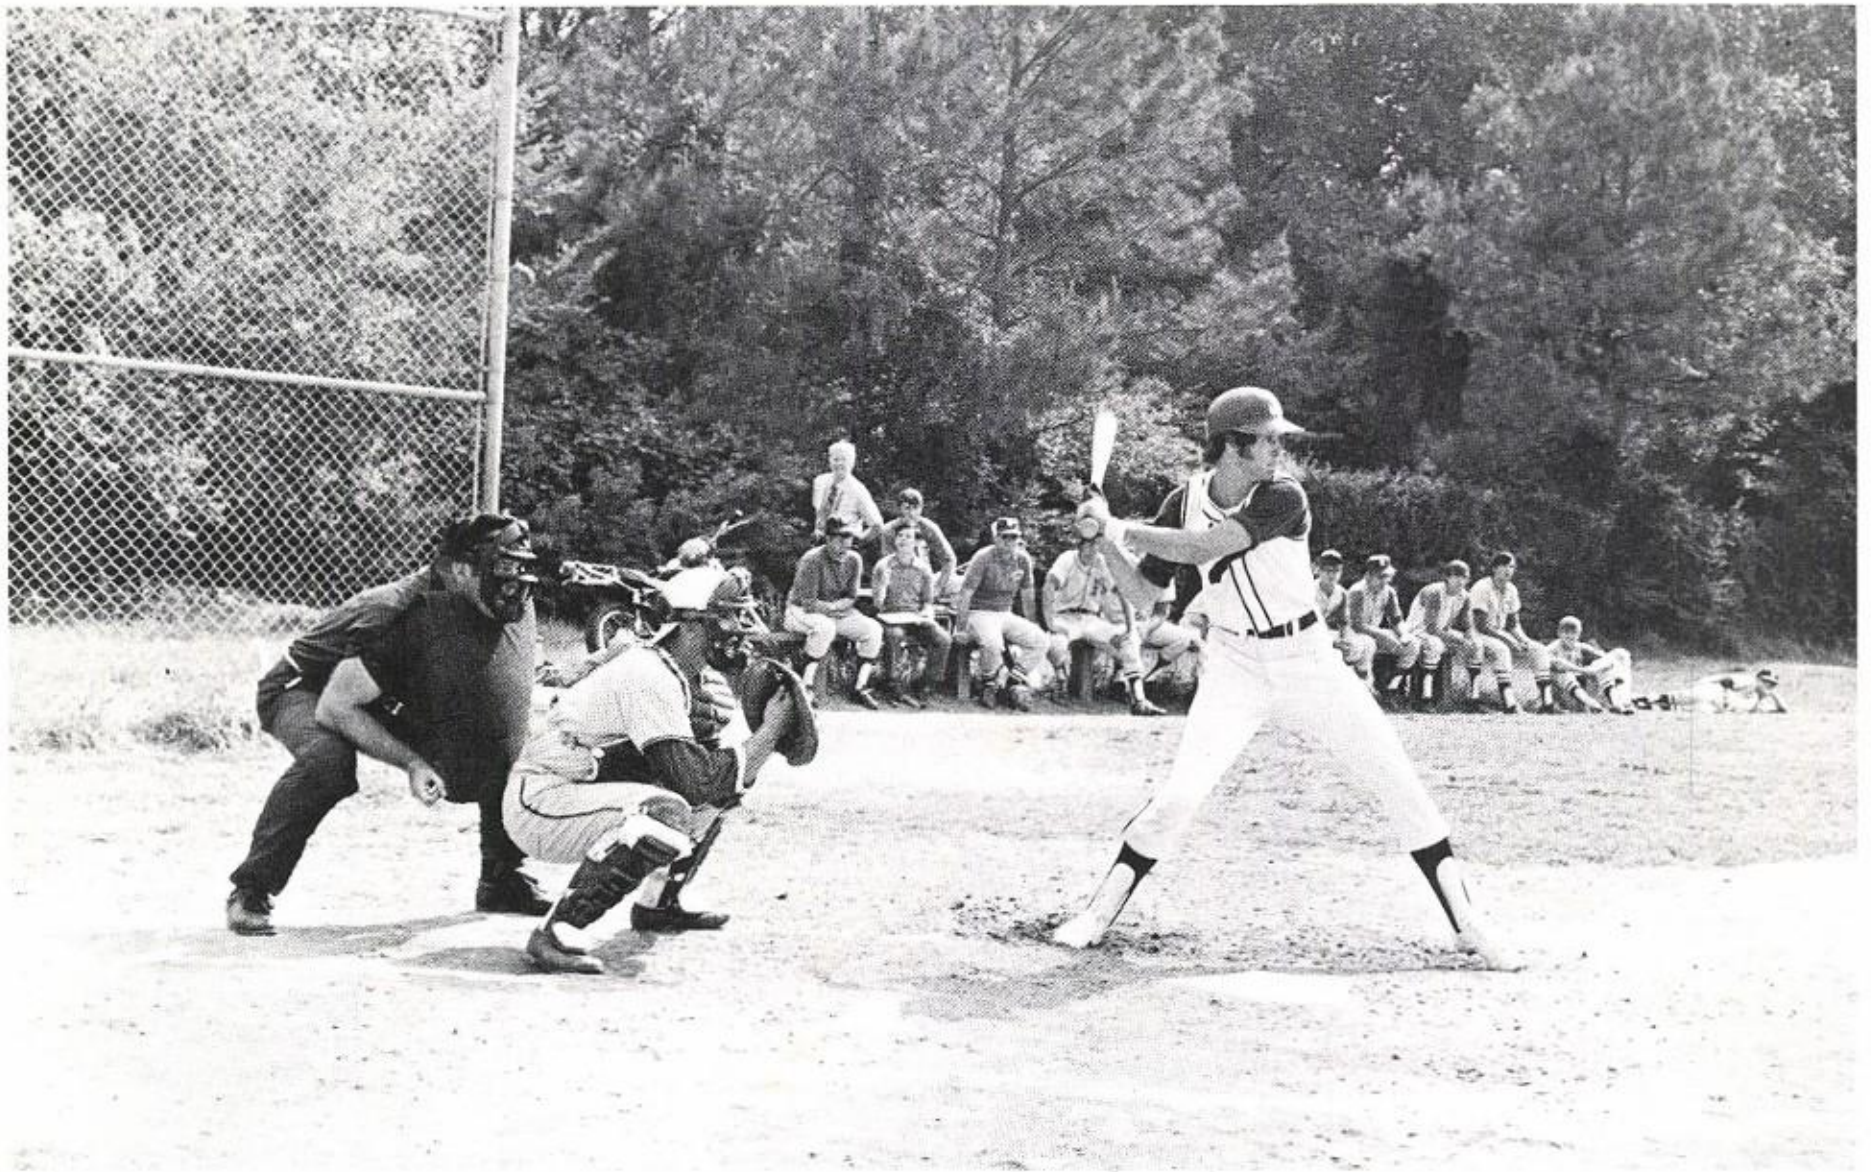

baseball

the eagles baseball team, under the leadership of coach gale coleman had a good season. coach coleman's knowledge of the game and the all out hustle of the players proved to be a winning formula. the team finished with a very respectable 9-6-1 season and placed second in region.

first row- lamar rucker, ray pitts, jason shelnutt, ricky shirley, marvin loggins, glen mize, jody albertson second row- steve majors, mike mashburn, joe ladd, tim english,

joey cochran, mark day, gary cook third row- jimmy webb, steve sutton, mike gunter, harry turner, doug buice, phil johnson, coach g. coleman

the '72 milton netter took the court with the tough task of continuing the reputation of milton high in tennis. the team was led by many experienced players. dave roth represented the school in regional boys' singles and was defeated in the quarter final round. the girls' singles position was filled by dale nesbit. dale made her presence known by taking second place in the region.

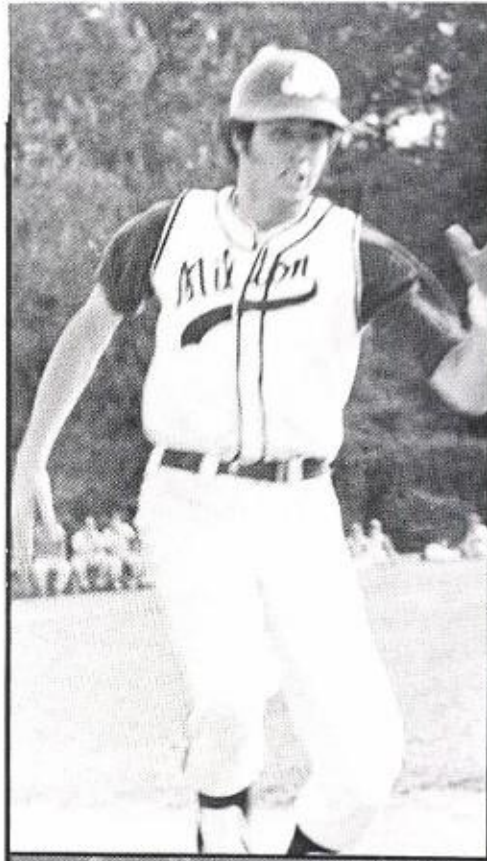

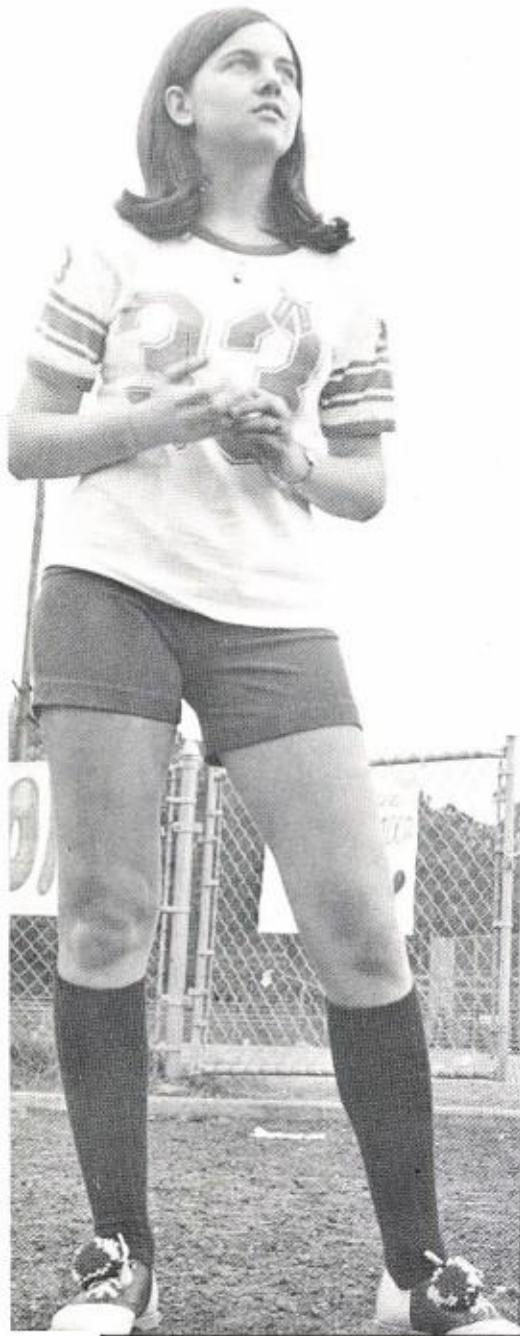

the doubles turned out to be the strong point for milton with two folks who repeated their region victories. keith duncan took on partner, ronald monroe, and kathy pledger teamed with michelle flowers. both of these teams were able to defeat their opponents and take the region titles.

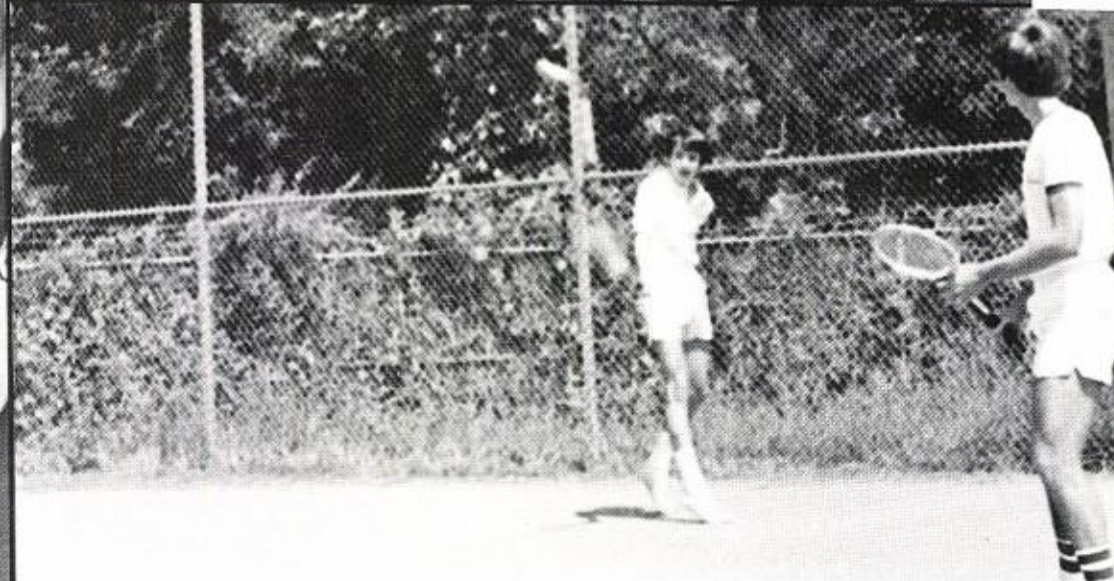

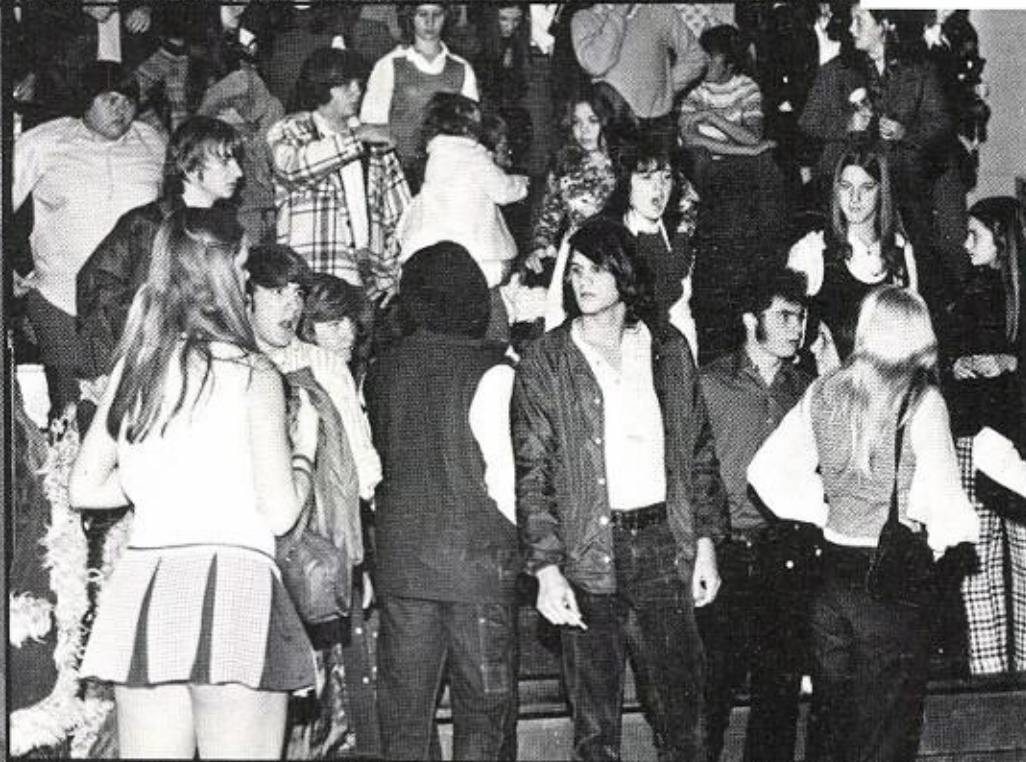

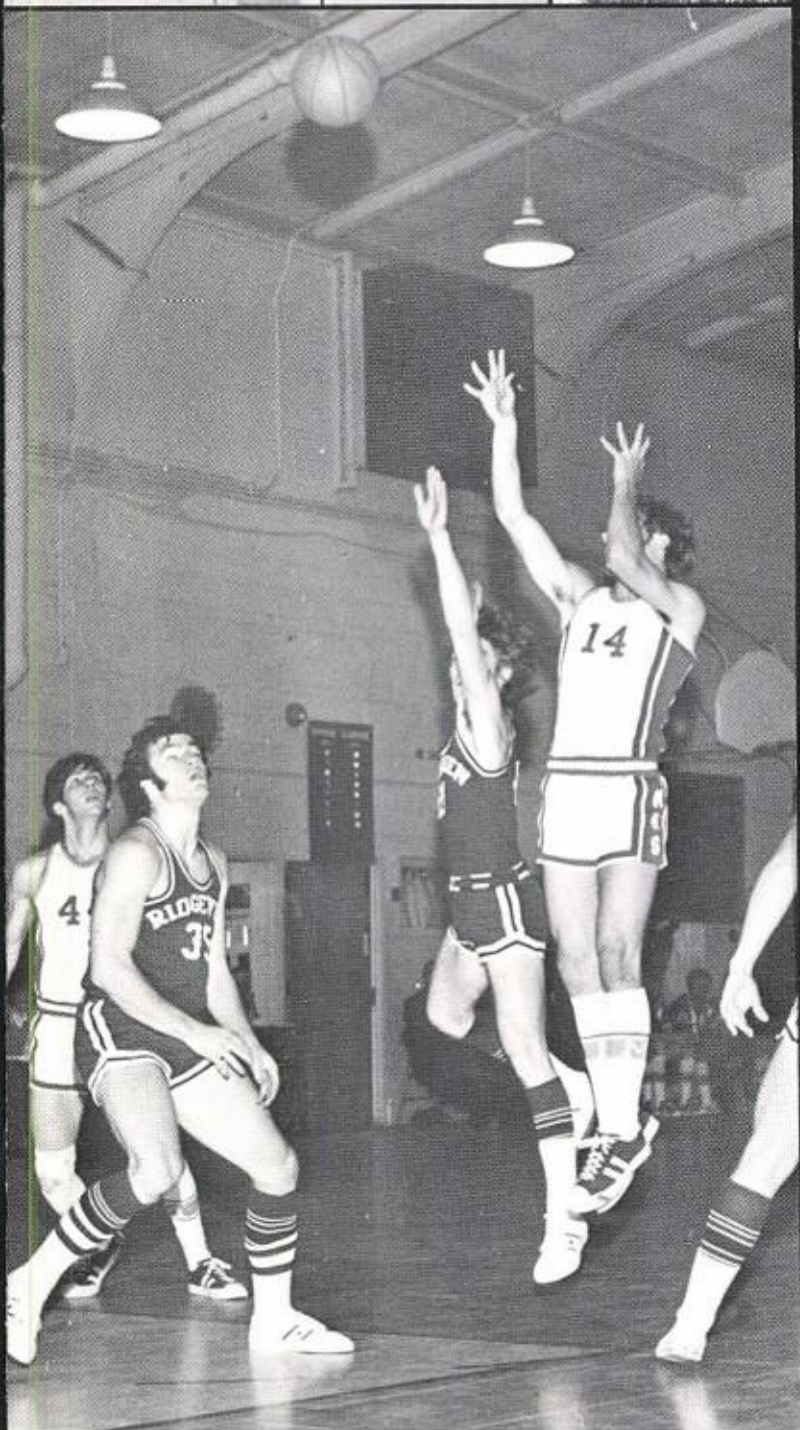

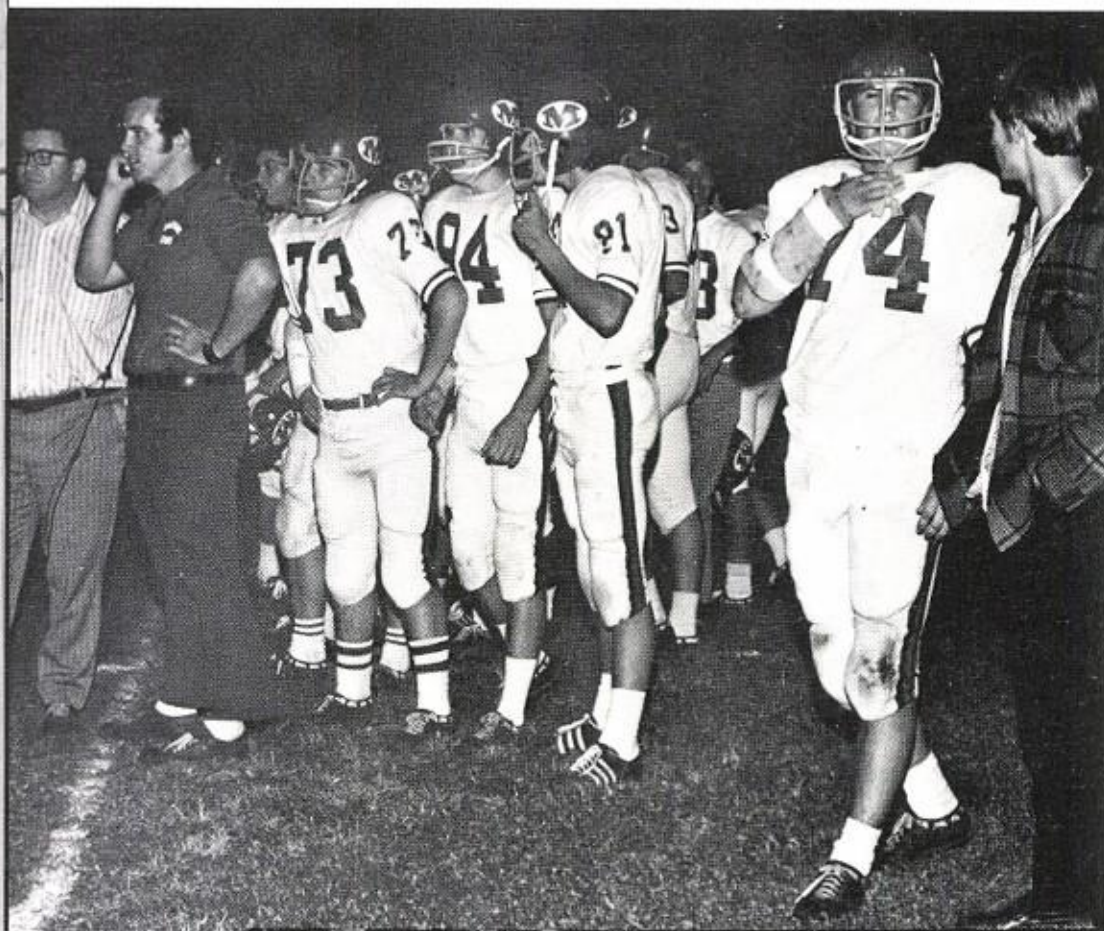

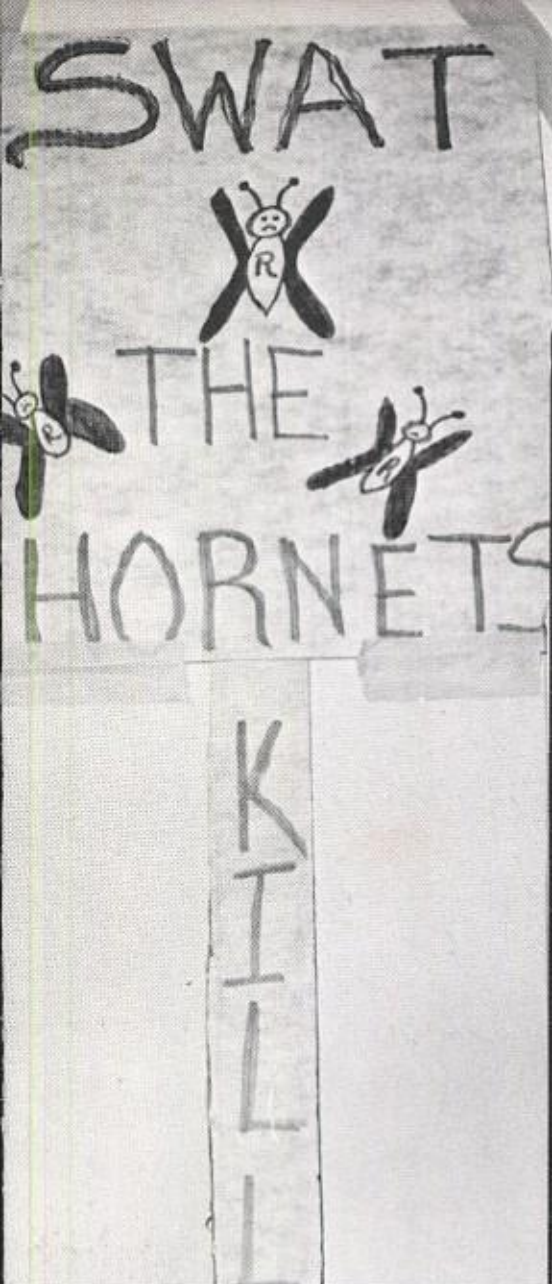

the winners then made the journey to macon for the state tournament. the boys' team was defeated by the team that later won the tournament. the girls, however, held off their opponents and captured the state title. the entire team worked hard throughout the season and received their reward for this work.

students showed their spirit at the pregame show in which the 1972 homecoming floats were presented. for the fourth year in a row the class of '73 won the honor of creating the best float.

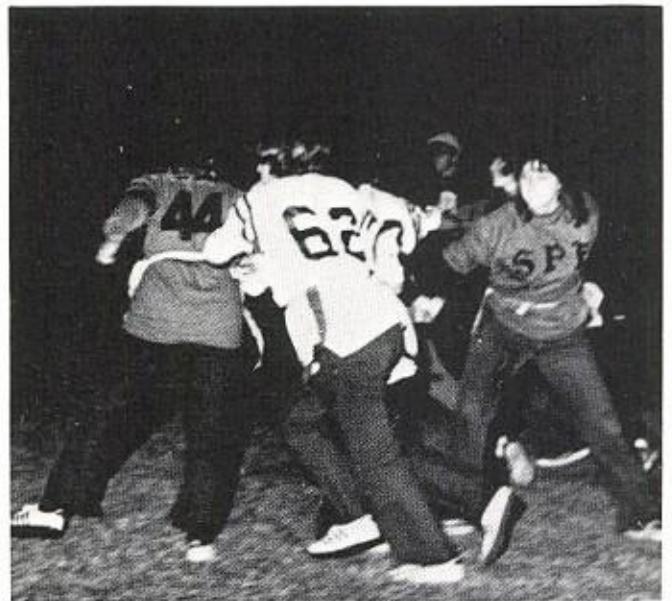

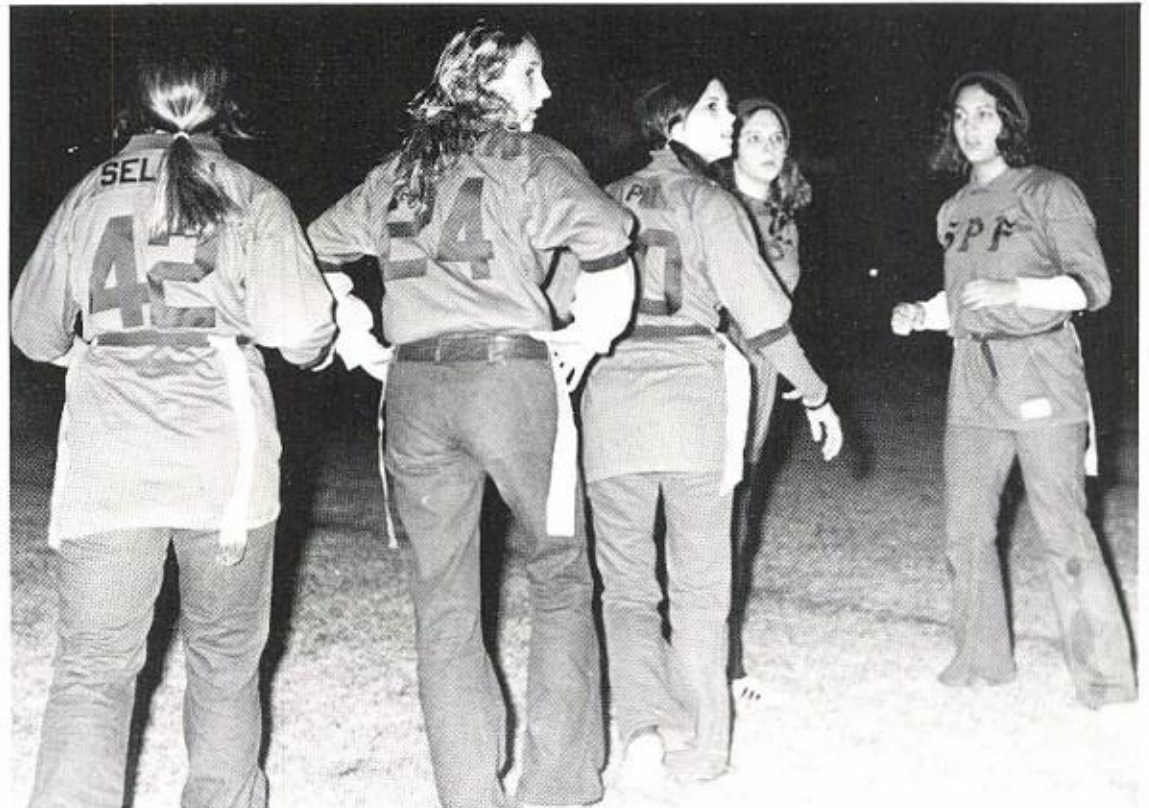

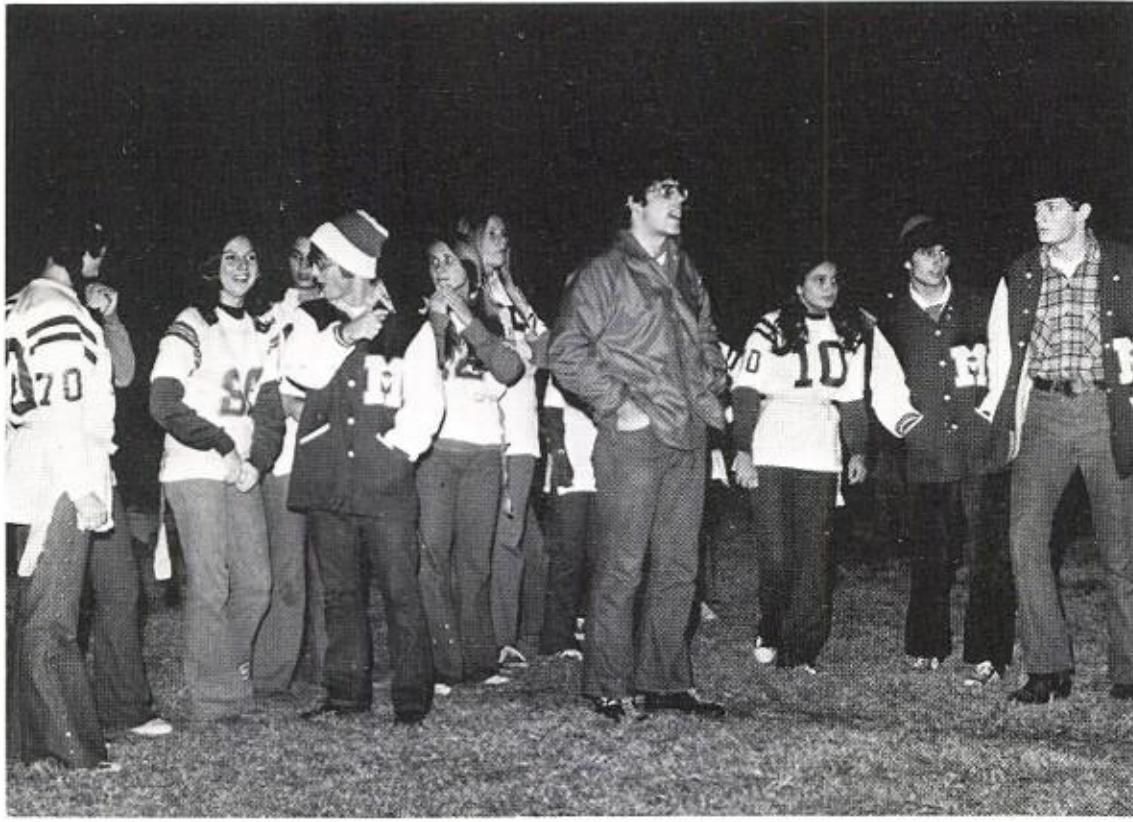

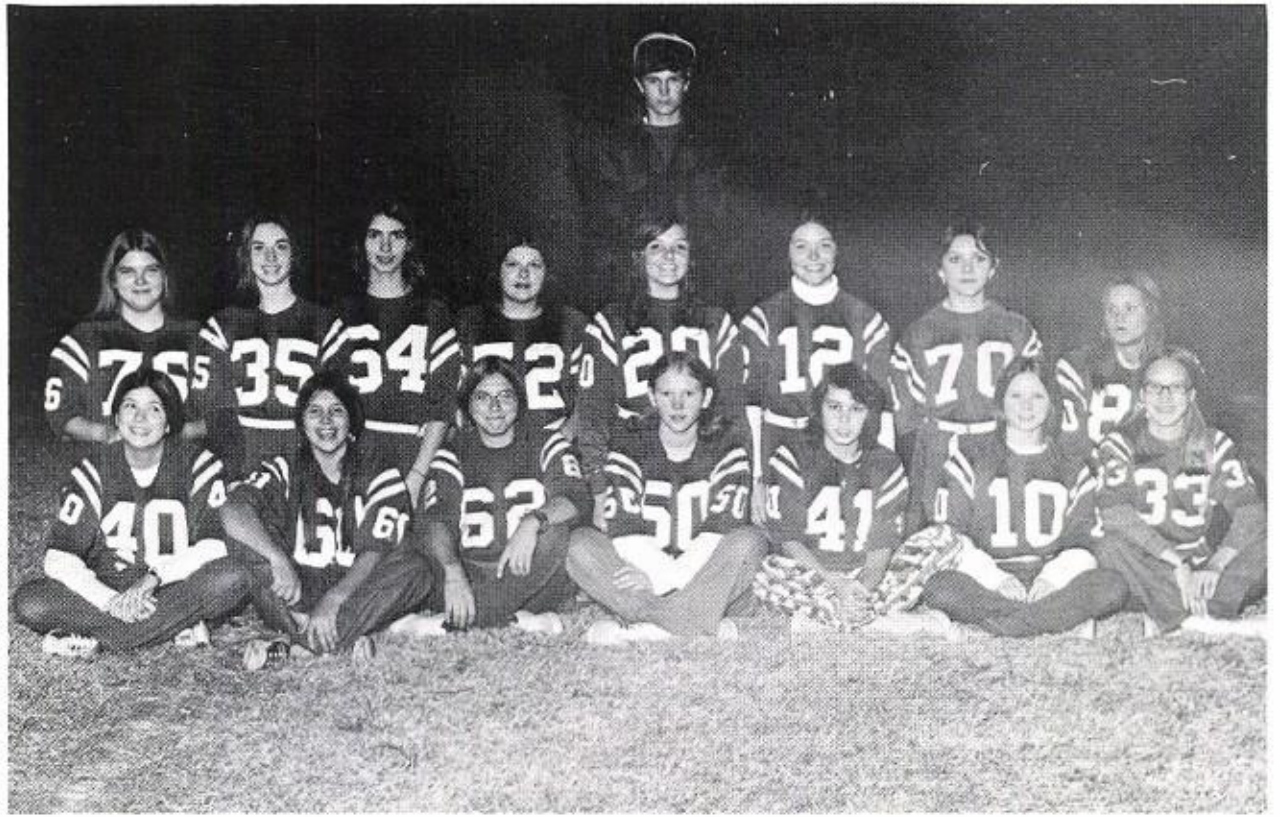

showing the determination and skill as typified by tail-back, danny payne, the eagles more than held their own in the first half of the game. the dixie eagles marching band gave a fine half show performance during which they presented the new school crest and flag. after the final seconds of the game were over, the eagles had won it 20-6; and a jubilant team rejoiced in the locker room.

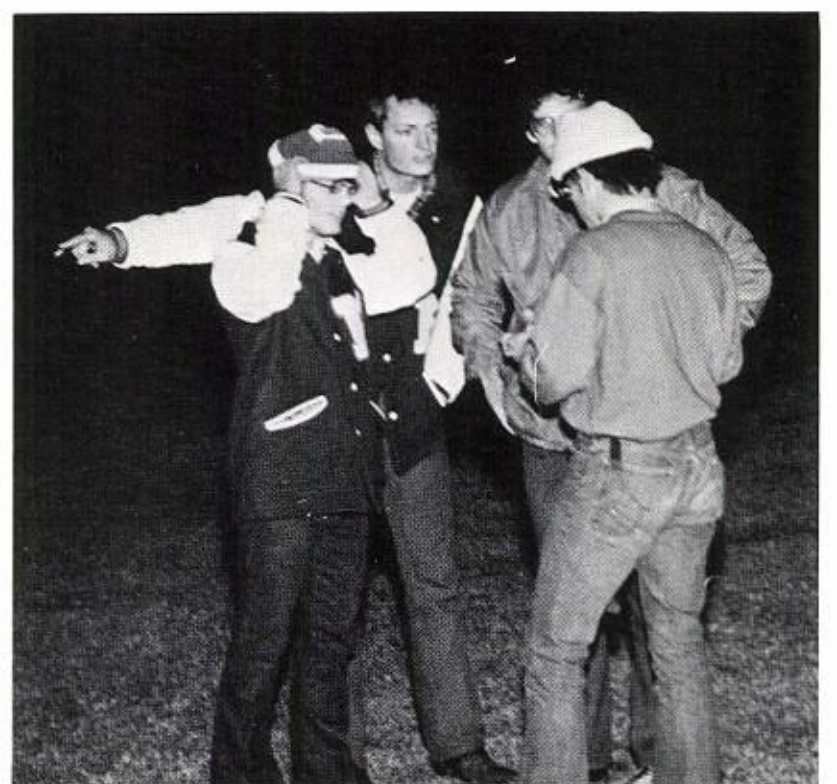

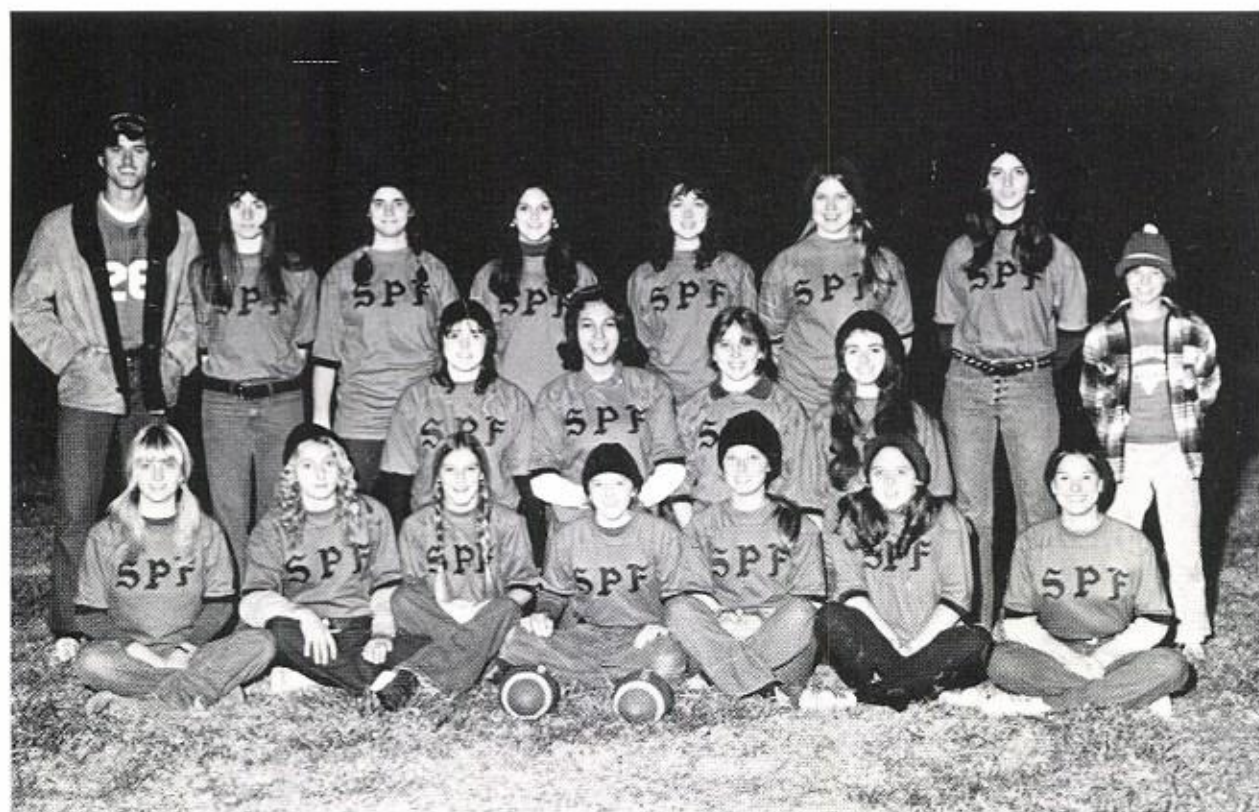

powder puff football

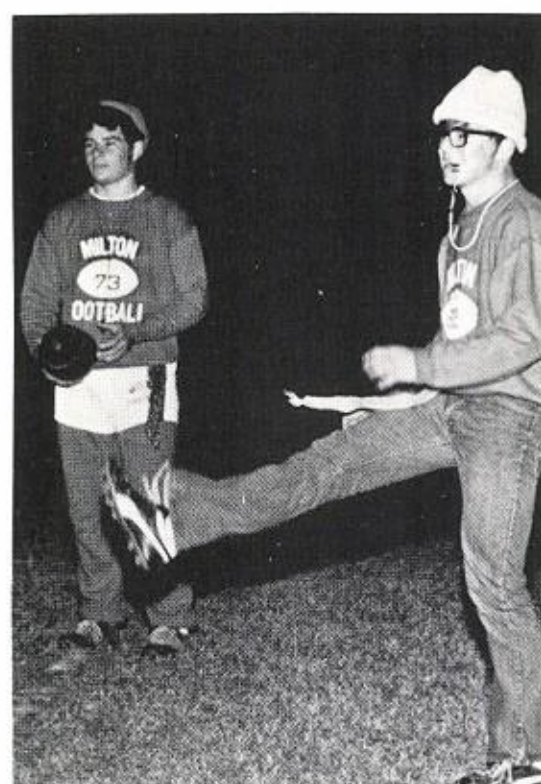

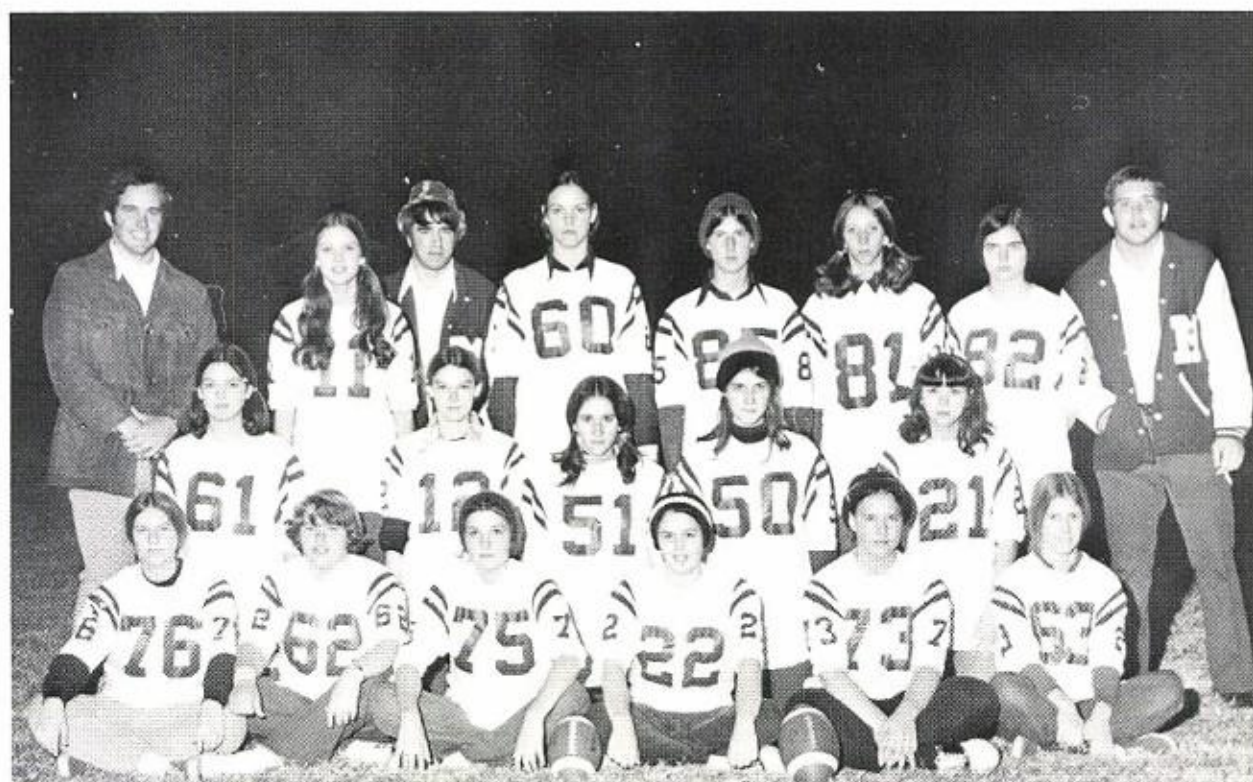

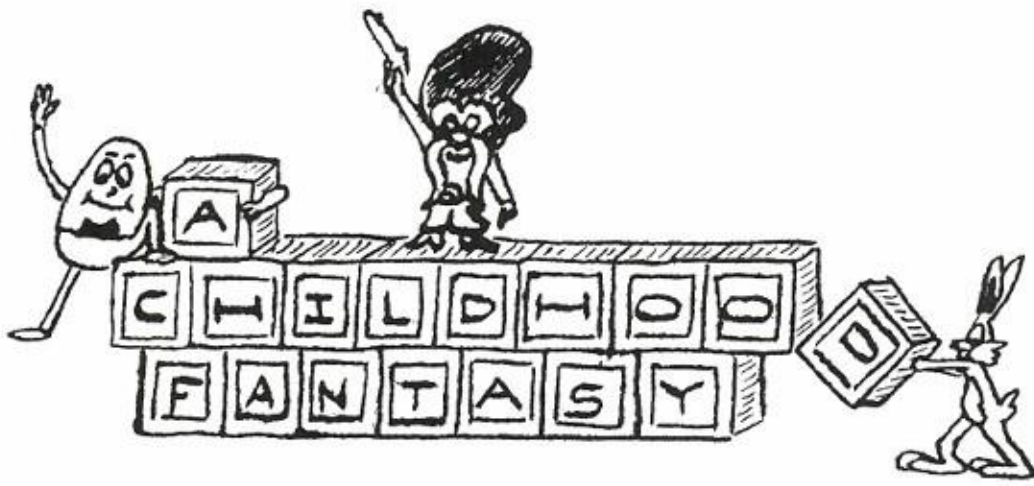

the junior varsity game consisted of the clash between the eighth, ninth, and tenth grades. under the leadership of coach stephens, the combined eighth and ninth grade team went on to upset the sophomores by a score of 20 to 12.

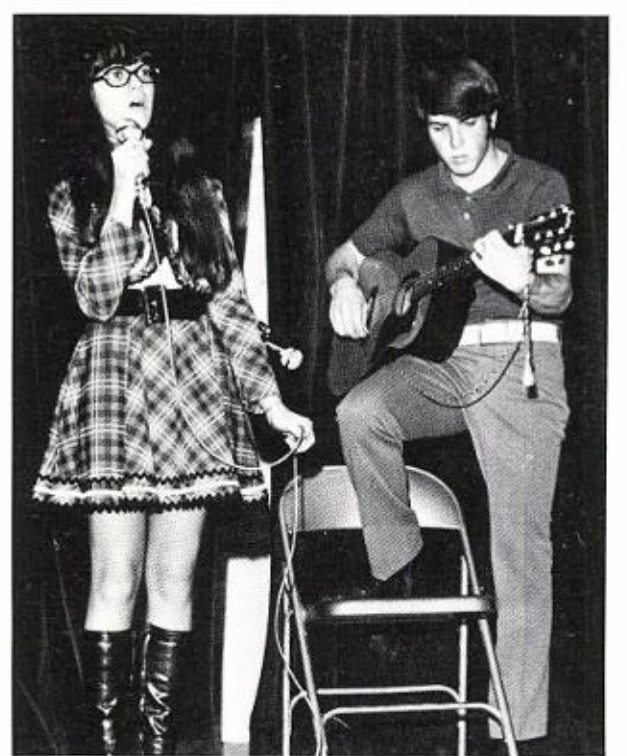

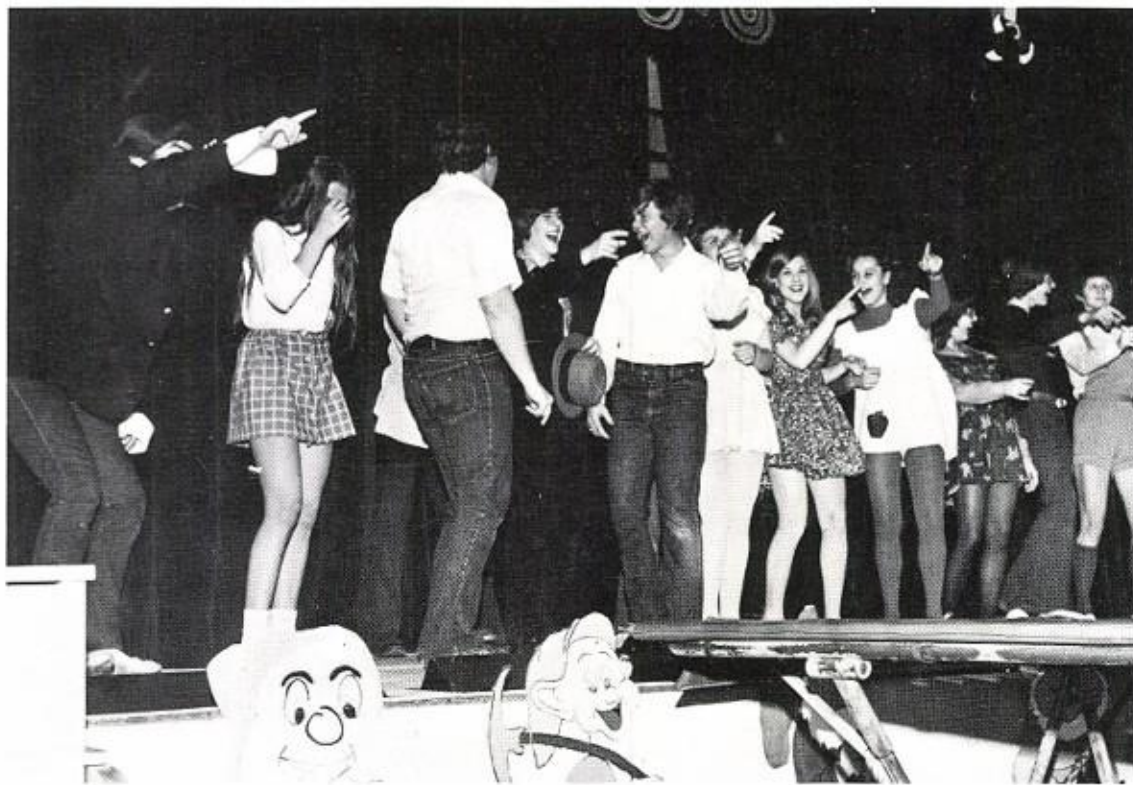

the few spectators who could survive the intense cold witnessed a great varsity game between the eleventh and twelfth grades. in the end, it was the seniors, coached by mike jackson and coach anderson, who emerged victorious by a score of 36 to 18.

our leader
mr. gus letchas

mr. letchas is our principal. his job is making sure that everything at milton is sailing smoothly. everyone knows these things but what many people don't realize is that he is a unique individual with a strong outstanding character. he keeps a close relationship between the students and the office. he is the first to hear everyone's shortcomings and what they think should be done about them. mr. letchas is an understanding person that has an open door for everyone. the 1973 aerie staff wishes to express its thanks and appreciation to mr. letchas for his help and patience in the composition of this yearbook.

seniors

seniors of '73 . . .

bring on the dancing girls.

here we are richard!!!

are you leslie horwinkle??

ready for that hot date!!

been so long
since i had a tingle!

our class had 73%
fewer teeth.

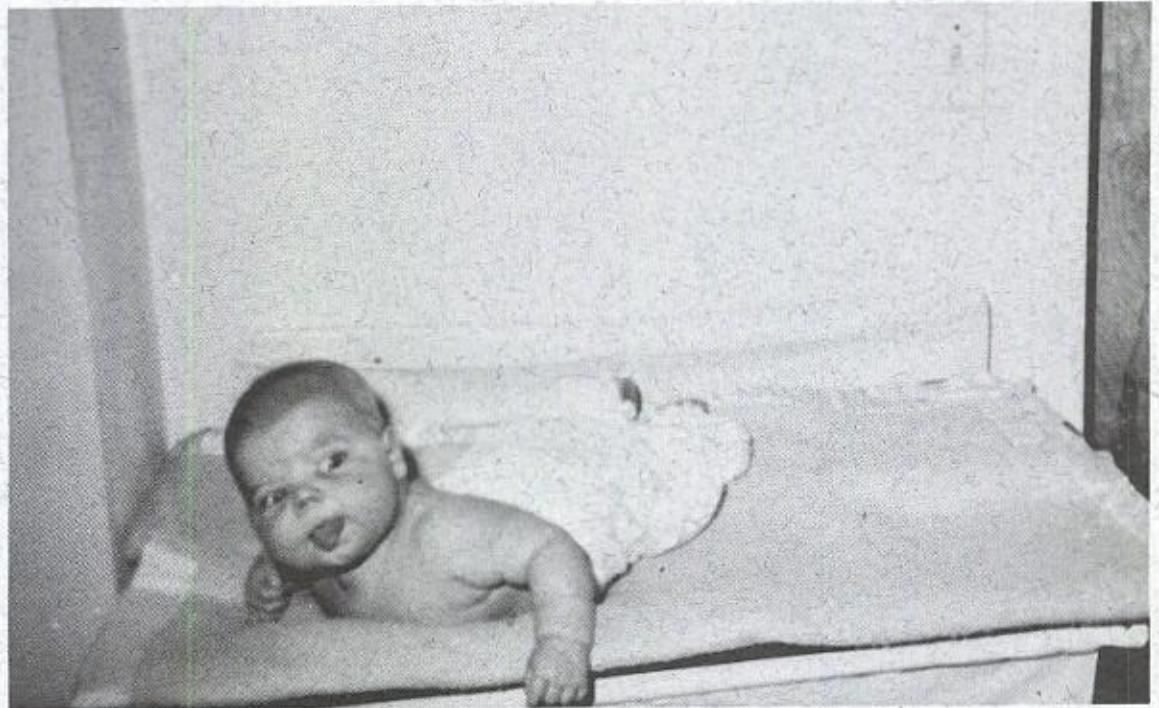

you can't make me eat
this cafeteria food.

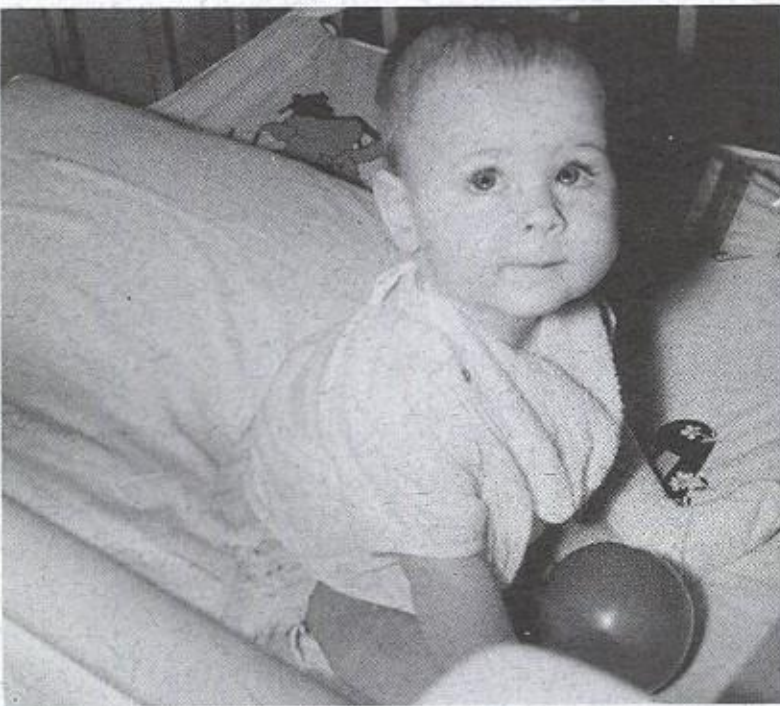

... where did they begin?

you said you'd be
here yesterday . . .

and that's the truth!!

look mom — i laid an egg!

aaagh! you caught me!

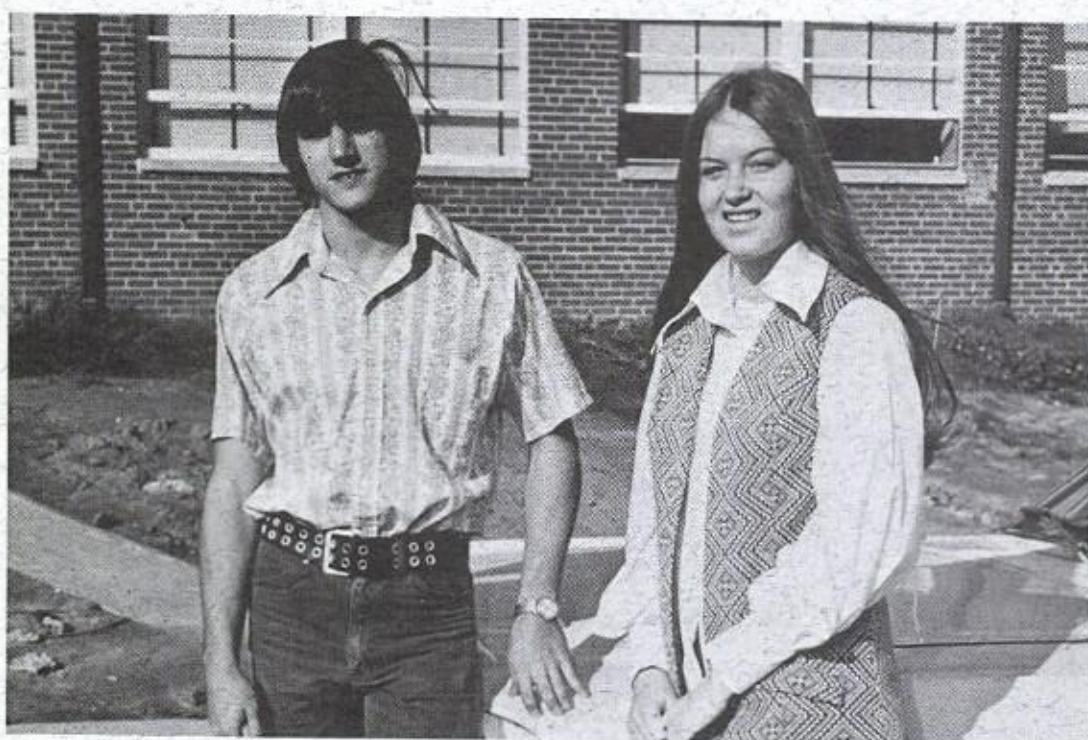

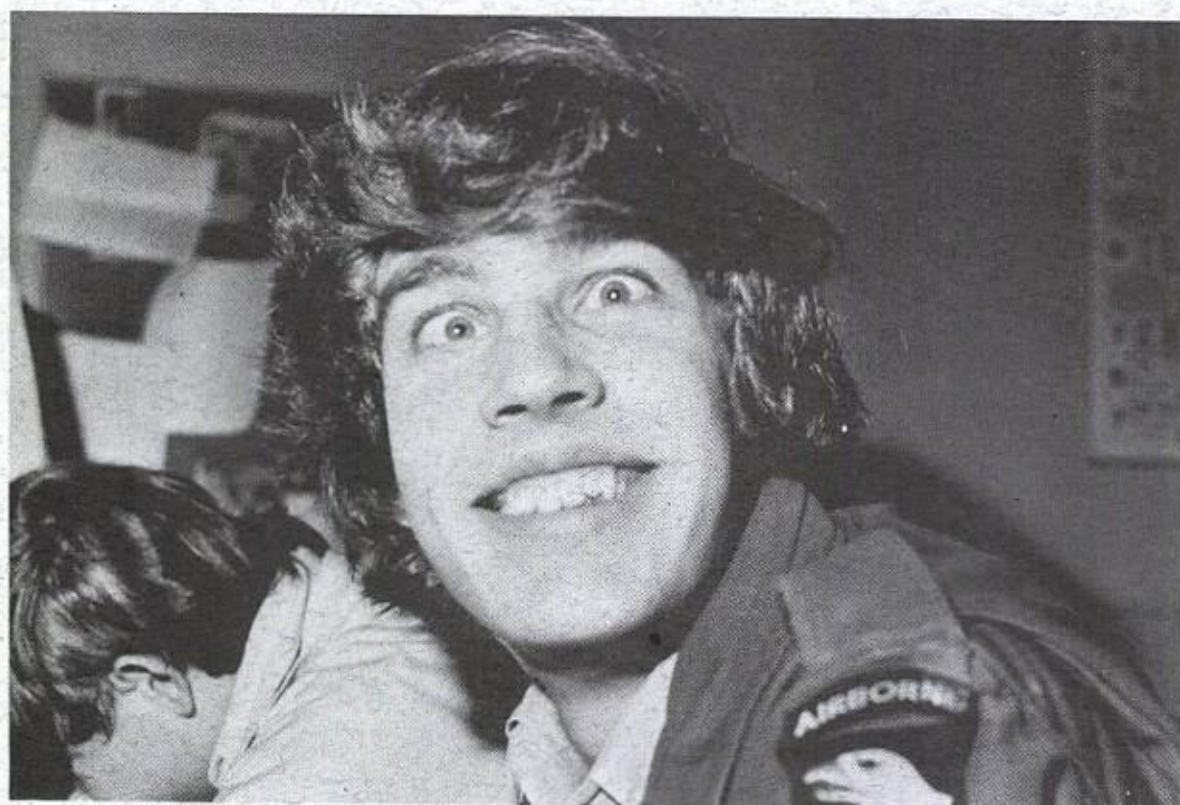

just me and my pal

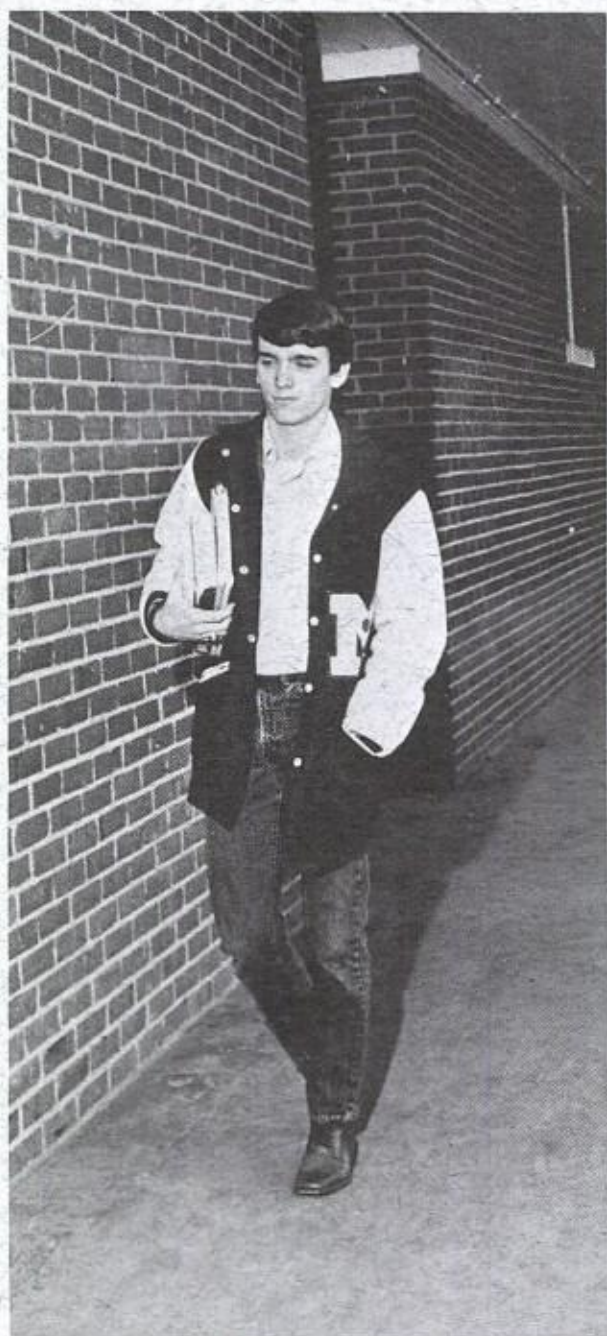

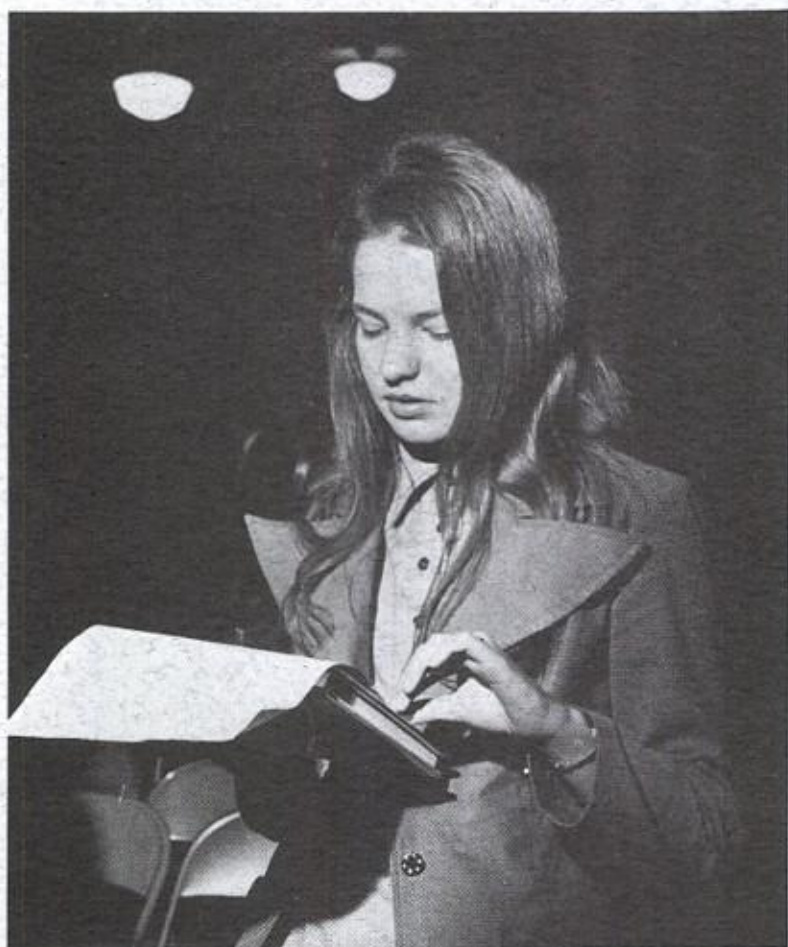

spring training starts early.

and after 18 years . . .

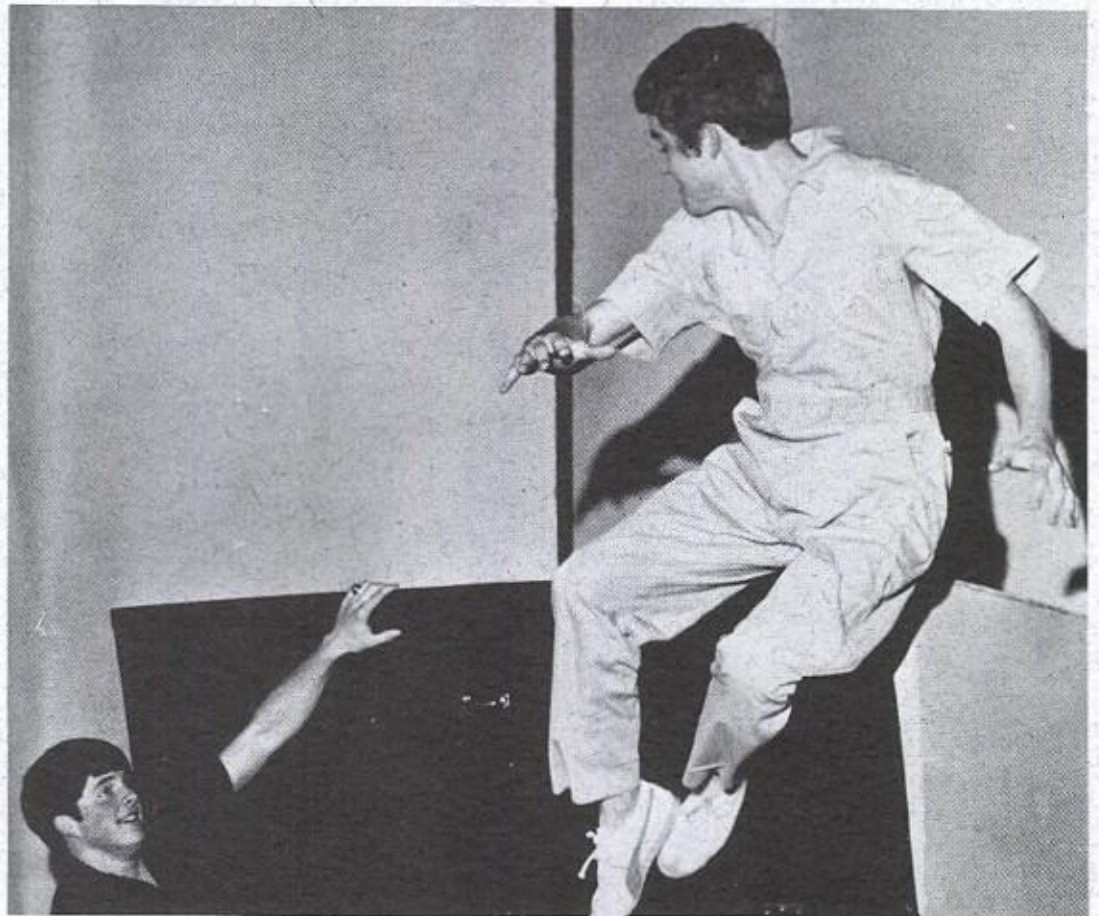

. . . look how far we've come?

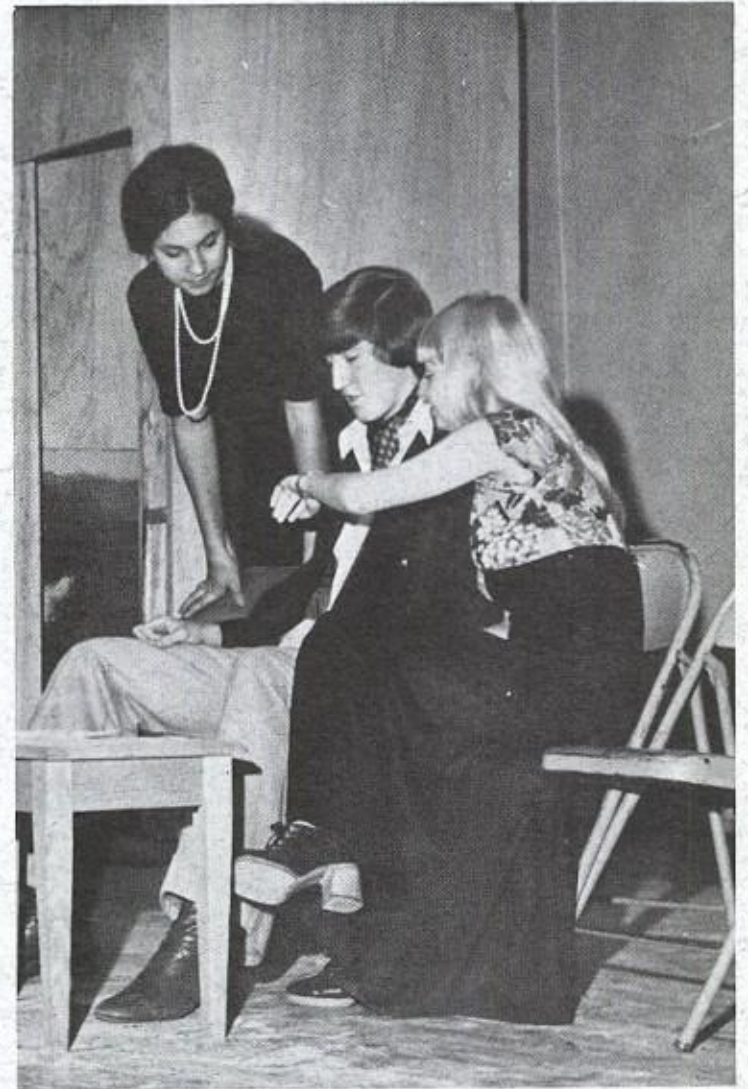

senior play . . . surprise!

the class of seventy-three's senior play was "surprise!" the play, directed by mrs. gotsch, had a cast of twelve. stage managers were caren cook and melvin meredith. the play was a farce taking place in a vermont inn. the story centers around the confusion of an opening night. people wandering around the grounds, hysterical women, puritan motel, even someone hiding in the ottoman — all this was a part of the big surprise.

onward . . .

and so the class of '73 leaves five years at
milton — years of football games and basketball
games and dances and clubs and homework
and fun. but even though these years are
over, they will not be forgotten by any
because these were the good old days!
